RE: Division 32 Lt. Governor Expense Report

Dear Mr. Davis,

First let me greatly apologize for submitting this so close to the deadline. I promise to do better in my second term as Lt. Governor. In talking with both Gary Gray and Tricia Hart this month, they suggested I submit what I could and write you a note to go with it. I'm normally not this "blonde," and this is not meant as a lame excuse. I will abide by whatever you, the Finance Committee, and the Board of Trustees must decide and do. I understand my failings.

Confidentially...this part can't by any means get to Mark McDonald or Richard Fuller...My fiancé unexpectedly had a couple of strokes this past year, changing the course of our lives. Plus my State Farm office is dealing with the 3rd highest number of total lost homes in the Northern California wildfires and I'm still working 10-12 hours days and weekends. I'm doing a lot to achieve my Lt. Governor goals, making all club visits, and planning our first ever Division-wide fundraiser. Yet I am not a bookkeeper nor a financial wiz at all. I didn't understand I should have been turning in expense reimbursement reports regularly. In talking to fellow LTGs, neither did they. Yes, we did go to training a year ago but a few of us thought that turning in our mileage form at the beginning, and then our official visit reports, took care of that. Wrong.

To that end, I've spent a number of hours trying to figure this out and I can't. I'm giving you what I can, along with the excel spreadsheets my accountant suggested I do, and that two other LTGs told me you wanted odometer readings. This would be so much easier if the Kiwanis report forms were digital. I will bring this up with my Trustee.

CNH Expense report claim for 2019

I talked with Mark McDonald at District Convention and he asked that I let you know that my wife had total knee replacement surgery twice this year, and so we got behind on filing reports and claims for my Lt. Governor Division 23 duties. In addition we are moving the Kiwanis Bike Program to a new facility, so paperwork got behind! I'm filing the reports for this year in total and receive reimbursement as listed in the attached file. We didn't ask for reimbursement for hotel expenses, but it would be great if you can reimburse mileage.

Let me know if you have any questions.

Dear Board of Trustees members,

Please consider this my formal request for your consideration of refunding the registration fees submitted by my club for my attendance at the CNH District Convention in Las Vegas. Please accept my apology for the delay in submission of this request.

I was unable to attend due to my decision to honor my mother's request to drive her to an appointment at the Heart Institute in Phoenix. She was diagnosed with an aortic aneurysm following Atrial Fibrillation in early August and we were waiting for a surgeon to schedule an appointment with her. Unfortunately, this coincided with the dates of the convention and far beyond.

The fees were submitted on my behalf by my club, and as I am unable to repay them I am hoping you will consider refunding them this money to allow another club member to utilize it for education, fellowship and training. Thank you for your consideration.

Respectfully submitted,

Mary (Beth) Walls Oceanside Pacific Kiwanis Oceanside, CA
