

Ambassador Mentor Program

What is it?

The Kiwanis Cal-Nev-Ha Foundation Ambassador Mentor Program is being developed as a part of the Ambassador Program's onboarding process to promote collaboration, networking, and co-learning between Foundation Ambassadors and Foundation Directors.

The Ambassador Mentor Program will help new Foundation Ambassadors feel better prepared to engage with the Kiwanis clubs and Kiwanians within their division.

Upon being approved as a Foundation Ambassador, new Ambassadors are assigned a mentor, who is a director on the Kiwanis Cal-Nev-Ha Foundation Board.

The Ambassador Mentor Program presents an opportunity for new Foundation Ambassadors to be matched with a Foundation Director who will serve as a mentor and will help to enhance the Ambassador's involvement and knowledge of the Foundation and its programs.

How does it work?

The mentor and mentee relationship should be reciprocal and bidirectional as both individuals can be helpful with networking, partnership development, and peer learning.

Foundation Directors and Foundation Ambassadors work together to set a schedule and create mutual goals.

The program is designed with limited staff involvement to allow each Director/Ambassador pair to tailor the relationship to their own unique goals and schedules.

Who is my mentor?

Use the list below to determine who your Foundation Mentor is. Please note, Regions 9 and 11 are currently without an assigned ambassador. Assignments for these two regions will be made later in the year.
