Two people did not receive their vegetarian entrees until 1:00 ( an hour wait!) No one refilled our water, coffee, etc. The biggest complaint is that the wait staff was indifferent and almost rude when we requested service. This was the worst conference luncheon experience that I have ever had.	2/23/2020 9:38 AM

1	There should be more classes in the morning. Everything runs almost the same time.	2/24/2020 3:34 PM
2	Trainers were much better for the most part, however we do need to ensure the trainings are professional and done bt presenters who want to be there and educated on what they are presenting.	2/24/2020 1:06 PM
3	Past, present and incoming officer positions need to be in the same room at some point to give as much direction as possible to move forward. Lose the same rhetoric about growth and adding new clubs without giving new ideas or without discussing the retention issue hand in hand.	2/24/2020 12:02 PM
4	Interclub luncheon audio needed adjusting as I could not understand everything clearly. Greg Fox's room did not have a microphone. He did a fantastic job under the circumstances.	2/24/2020 9:43 AM
5	The conference location, speakers, and overall atmosphere was very good. We had a problem at the luncheon. It was as though our table did not exist. We had everyone around us eating salad and finishing when we had to stop a server and ask for our salads. Also had to do the same thing for our meals. Everyone was eating and some finishing while we were still waiting. Finally contacted a server and our meals began coming. The two at our table that ordered vegetarian actually received their meal after we were finishing and we again contacted a server. We were never told reasons or received an apology. There were 3 different clubs represented at our table. Not ok.	2/24/2020 8:16 AM

9	The felt the same as previous years. Maybe changing the variety of workshops for general members to attend. Create a way for Midyear Conference to possibly add a networking event in conjunction with Circle K members.	2/23/2020 7:12 PM
10	This was my first conference and it was a lot of fun. I got to meet other Kiwanians from different clubs and our current leadership government officials. I was only able to attend the night before the conference and the day of conference. I didn't get an opportunity to enjoy the extracurricular of the event, such as the gala. I feel the day was a great opportunity for education in multiple facets of Kiwanis. I feel more of my club members should attend so that they get a full grasp of all Kiwanis offers. Thank you.	2/23/2020 6:00 PM
11	Modesto was a very nice place for a change and the hotel people were very nice to work with.	2/23/2020 5:21 PM
12	First point: The conference workshops are really your bread and butter. To be fair, many of them were pretty well-done. It's just that sometimes they're repeats of things we have previously seen Second point: The comedian. I wasn't a huge fan. I would give the farting jokes a 1/10, the marriage jokes a 6/10, and the cougar jokes a 7/10. She had her moments, but I can go onto YouTube right now and find ten celebrities funnier than her. My recommendation is that you either hire one of them, or go back to using someone who actually has a major affiliation with Kiwanis and children other than the ability to make inappropriate sexual remarks in their presence. The speaker at last year's conference was more eloquent, more relevant, and a heck of a lot more funny.	2/23/2020 5:19 PM
13	Having a Hotel that is very close to the railroad tracks was not well do to the fact they run thought every hour and a half was bad.	2/23/2020 4:58 PM

15	I am a member of North Modesto Kiwanis so spent most of my time at the registration table. Attended just the one session, which was good.	2/23/2020 4:10 PM
16	It would be great if there was a program that included the power point so notes can be taken on the spot. It would also be great to see more of a variety of clothes i.e. jackets, sweaters, sweatshirts, t-shirts, etc	2/23/2020 2:56 PM
17	Overall very good but was somewhat missing a sense of fulfillment. Hard to explain but the parts for success were there but didn't seem to be interconnected.	2/23/2020 2:54 PM
18	I liked the hands on service projects and fundraising ideas.	2/23/2020 1:30 PM
19	The singers very loud and sometimes off key. An important fellowship opportunity was lost because we couldn't talk with each other during lunch. I would rather have an inspirational speaker instead of a comedian for entertainment. I think it might be good to have some topics for us to discuss a with our tablemates, such as what projects were especially successful, any "learning opportunities" (learning from mistakes) arise? This is my first luncheon, and it was billed, I think, as an interclub, if so, then give us an opportunity to learn from each other.	2/23/2020 11:50 AM

Lunch was poorly donesome tables never got a salad; those getting Vegetarian were served after all others at table had eaten.  27 Rooms at the conference were much too cold - the Arbor Theater was so cold I almost had to leave before the end of the session - and I was wearing a padded jacket. The young girls singing at lunchtime were too loud - we were having to shout at the people sitting next to us at lunch to be heard. Frankly they were not entertaining either. I thought the comedian was OK, but several at my table thought the humor was too crude.  28 The key note speaker was not appropriate for the audience or occasion.  2/23/2020 9:46 AM  29 I loved doing the hands-on service projects! I also found the liability and club treasurer seminars to be very useful.  30 During the luncheon, the service was very poor. While many other tables around us were nearly done eating their salads, three tables close to each other had to tell the service staff that we need salads. Then, the next course was late being served, and two people at our table weren't served their VEGETARIAN meals until 1 PM!!	25	Don't schedule Sec. & Treas. training at the same time - some people aren't sure which position	2/23/2020 10:41 AM

### Q13 Please use the area below for any additional comments or suggestions about the sessions and meal functions.

Answered: 21 Skipped: 40

	RESPONSES	DATE
1	The luncheon comedian was completely inappropriate	2/24/2020 10:19 AM
2	The Inter-Club luncheon meal was very good. Service excellent.	2/24/2020 9:44 AM
3	I addressed the meal experience for lunch on the previous page. Please refer to those comments. Not an enjoyable experience.	2/24/2020 8:17 AM
4	The destination was not a place I would consider going early or staying later for (sorry Modesto!) - going for the day was fine though - but due to that, we didn't stay for the dinner gala.	2/23/2020 9:47 PM
5	Keep this info short and not repetitious. I thought was good but a few items repeated and no questions on our store if we likes it or not and was was missing to sell.	2/23/2020 5:23 PM
6	Other than a staff that was a little disorganized (further aggravated by a few impatient people), you really nailed the Gala. It was fun. It was entertaining. I imagine it made quite a bit of money. The only people who had a bad time were the singers who had to follow up the Elk Grove table's performances	2/23/2020 5:22 PM
7	Great luncheon meal and comedian. Out of the 3 singers, only one was on key through her performance.	2/23/2020 4:48 PM
8	Fabulous time! Enjoyed laughing at lunch! The singing at the gala was hilarious, amazing, and awful!!! Loved it!!!	2/23/2020 4:38 PM
)	Loved the Gala!	2/23/2020 1:31 PM
10	The singers very loud and sometimes off key. An important fellowship opportunity was lost because we couldn't talk with each other during lunch. I would rather have an inspirational speaker instead of a comedian for entertainment. I think it might be good to have some topics for us to discuss a with our tablemates such as what projects were especially successful, any "learning opportunities" arise? This is my first luncheon, and it was billed, I think, as an interclub, if so, then give us an opportunity to learn from each other.	2/23/2020 11:51 AM
11	The conference rooms were too cold, especially the theater. I did notify someone at the hotel, I did not notice a change.	2/23/2020 11:37 AM
12	All was enjoyable. Next time I will stay at the conference as it is more fun and you get to know more of your fellow Kiwanis .	2/23/2020 11:35 AM
13	The meal was poor quality.	2/23/2020 11:06 AM
14	Meal choices for Luncheon were very poor - I heard many comments about people not liking salmon in general, but that was the only alternative to Veggie. The salad & dessert were very well received.	2/23/2020 10:44 AM
15	Comedian was perhaps not suitable for any children in the audience. Like the IDEA of comedy, just perhaps not this particular comedian.	2/23/2020 10:27 AM
16	Bring luncheon cost down. Allow more time for general round table discussionsthis year, round table discussions involved a mini-service project and overly structured discussions. I enjoy opportunity to brainstorm with Kiwanians from other clubs	2/23/2020 10:24 AM
L7	Lunch entertainment was awful	2/23/2020 10:23 AM
L8	The service was not the best. 2 people at our table with a vegetarian meal did not get served until the rest of us were almost done eating.	2/23/2020 9:36 AM
19	All meals and sessions were great. Gala was excellent, very high energy, a very good time was had by all.	2/23/2020 9:25 AM

2	Greg Fox had too little time. Great topic-corp. membership.	2/24/2020 9:58 AM
3	Classes got started a bit late which pushed the schedule in the morning. The afternoon was much better.	2/24/2020 9:36 AM
4	SLP - there were questions that were asked that wasn't related to learning about the SLPs; it was related to the youth protection guidelines that should have emphasis on this workshop because there is already a separate workshop for that.	2/23/2020 7:20 PM

1	Because almost all the classes I (and others) wanted to attend, we either had to split our time going to them or skip it. Valuable information was not had because of the schedule.	2/24/2020 3:39 PM
2	Identify successful growth clubs from the recent past and make a representative from them available for the membership/growth seminar	2/24/2020 12:06 PM
3	Good to see that we are all in agreement that we need to do things differently. Succession plans very important. More on bringing it younger members and being flexible in how they interact/attend/provide input.	2/24/2020 9:58 AM
4	All the presentations were California based. Need to incorporate Hawaii and Nevada in their presentations	2/24/2020 7:31 AM
5	Great presentations - very professional	2/23/2020 8:19 PM
6	The SLP workshop could be split into two separate workshops: one led by the CNH Key Club, Circle K and KIWINS governors that focuses on how to better serve their respective organizations and one that overviews the different members of the CNH Kiwanis family.	2/23/2020 7:20 PM
7	Some of the presenters could have been a little more dynamic. Geoff and Greg were great. Greg's talk on membership was fantastic. You can tell he cares about what he's talking about and it translated well to the audience.	2/23/2020 6:04 PM
8	Attendees had very good input and participation in the Difficult Member seminar. That is why I rated it "Excellent" and not because I was the presenter.	2/23/2020 5:53 PM
9	The "brainstorming service projects" one was impressive. As someone who headed one of the projects discussed in this seminar at my own club, I'm kind of amazed they were able to logistically assemble six or seven hands-on projects instead of just talking about them. Then they had us pitch ideas to them, which is sort of the reason you would come out to a conference like that to begin with: Hearing ideas.	2/23/2020 5:27 PM
10	Had to leave after lunch so couldn't attend afternoon sessions.	2/23/2020 4:51 PM

5	The reason I didn't enjoy the exhibit booths is because I didn't see them. I really should have. There were pictures posted online, they look interesting	2/23/2020 5:28 PM
6	Local K-Kids overview of their projects.	2/23/2020 4:00 PM
7	Have materials from Kiwanis International store that clubs can actually see so they know what the material looks like before the order it,	2/23/2020 1:38 PM
8	Perhaps more Kiwanis Merchandise. What about some little thank you gifts that we could give to people who come to our meetings?	2/23/2020 11:56 AM

2	Did not spend much time there.	2/24/2020 8:24 AM
3	The exhibit booths were ok - but I find that I enjoy the most for opportunities to buy Kiwanis gear and there could've been more. Also, when I didn't go to any of the sessions that started at 3, I went back to the exhibits and they were already taken down.	2/23/2020 9:57 PM
4	didn't have time to visit them and no map of facilities to look for them	2/23/2020 5:33 PM
5	I didn't see any of Kiwanis partners participating. Maybe they only do International.	2/23/2020 4:53 PM
6	A good opportunity to learn a lot about resources!	2/23/2020 11:56 AM
7	They were very well displayed . It is best to be there when the conference begins .	2/23/2020 11:44 AM
8	It's good to have candidates, Kiwanis House, Rose Float, and the next DCON and ICON locales. Great to get information. maybe a better presentation of materials for sale etc by exhibitors - but that's for them to deal with.	2/23/2020 11:07 AM
9	There was plenty of room to move around and see all the booths, which appeared to be manned most of the time. Thank you!	2/23/2020 10:28 AM
10	There needs to be more time added between segments/presentations. It appeared that everything ran over with no passing time added to the schedule.	2/23/2020 9:34 AM
