#	RESPONSES	DATE
1	Installations are not really that enjoyable for the average member...too many names and positions to review.	8/25/2020 10:05 PM
2	The interclub luncheon, scheduled for 1 hour, was over in 25 minutes, if I am not mistaken. I came in to hear the speaker and it was over.	8/25/2020 12:59 PM
3	Everything felt rushed, like we were on a strict time frame. The Opening Session, Inter-Club Lunch and Installation could have been "fleshed out" a little more, bringing more of what we have done in the past to explain how the district is doing, recognizing various groups (Past Governors, outgoing and incoming officers) and taking more time to recognize award winners. The Special House of Delegates was fine overall, the only issues were with the technology and hopefully that will be resolved in the future. It might be helpful if the moderator (Mark) had one or two co-hosts that could monitor the technology end so he can focus on the events, doing it all is really too much for one person. It would have been nice to have a little more of a break before the inter-club lunch so we could stretch and maybe get something to eat. The speaker was fine, although his speech was a bit of a retread, just with new pictures. As we progress and do this again maybe some additional entertainment like we have had before, musical groups and such. And finally, while the seminars I attended were all fine, it would have been nice to be able to communicate with the presenters - again, a co-host to handle the chat feature would have been helpful. Overall, it all seemed to flow smoothly, especially for doing it all for the first time.	8/23/2020 6:59 PM
4	I thoroughly enjoyed. Presenters, speakers, materials and the flow of things were great.	8/21/2020 1:00 PM
5	installation sadly comes up far short compared to an in-person event. But it was the best we could fo given the circumstances	8/20/2020 5:38 PM
6	Only reason I couldn't attend was I couldn't get into the sessions. Otherwise, a great overall experience when I could get in. Mark & team did a great job! Thank you!	8/20/2020 10:21 AM
7	I waited for the installation portion for an hour and was not able to get in. I was disappointed.	8/19/2020 7:23 PM
8	The award session and installation was just a boring list of names. Why not have a photo of the folks being installed, or a photo of the award-winning brochure, or the home page of the winning websites or samples of newsletters?	8/19/2020 3:37 PM
9	could not access officer installation said host was at another meeting - not being able to see delegate meeting ex ept by facebook is unacceptable- Risk Protection speaker was rude and did not show up for his presentation - he could have at least sent a power point	8/19/2020 2:40 PM
10	Did not feel the virtual communication. Prefer in person.	8/19/2020 10:55 AM
11	The technical issues concern me. We could have done better.	8/19/2020 10:27 AM
12	I appreciate the immense effort to make this happen for us. Consider yourselves successful!	8/19/2020 9:16 AM
13	Having been an installee, the process was pretty meh.	8/19/2020 8:52 AM
14	Technical difficulties were a bit much at times.	8/19/2020 8:25 AM
15	Honestly, there were so many technology issues and it seems that voting was made more difficult than it needed to be. Also, we get that you want more clubs. The problem is that older ones are closing. What are we doing about the clubs who need help?	8/18/2020 9:37 PM
16	I was expecting the Past KI Pres Siemens to speak longer than 10 minutes. The retirement/installation of LTGs was disappointing. I wish their names&photo could have been displayed. There was a time when there was no shared screen during the LTG install.	8/18/2020 8:44 PM
17	I enjoyed the educational sessions but felt the delegate session should have been open. Normal delegates would have added maybe a couple hundred. So you had 100 and if you let normal delegates vote it would have been 300. It's VERY disappointing. Why NOT have the normal delegates?	8/18/2020 8:40 PM
18	FB Live going down was a problem. Only knew to search YouTube thanks to a delegate. Election process appeared to be a problem. Was worried incoming Parliamentarian was going to declare election invalid. Probably could have been handled better	8/18/2020 8:24 PM
19	Election process was unsatisfactory, but you already know that.	8/18/2020 8:11 PM
20	Was not able to access Delegates or installation	8/18/2020 7:42 PM
21	Inter-Club luncheon speak should have spoken longer. He was great, but so fast! Link for YouTube live should have been put out on the CNH Facebook page so people would have	8/18/2020 7:32 PM

	know what was going on with the delegate session.	
22	The Sat luncheon was very short . May want to truncate the calender . It was listed as longer , but I think it ended after about 25 minutes or so. Thinking of would be nice to find something besides the main speaker for that time frame . Was a bit disappointed as I joined at about 10 minutes in and heard most of the talk .	8/18/2020 7:02 PM
23	The technology issues greatly detracted from the experience. Opening session was very short - I expected it to be close to an hour.	8/18/2020 6:24 PM
24	I think you all did a good job considering it was the first time and there were technical difficulties. I sure helped having everyone muted so there weren't a bunch of interruptions. I would have loved to see the House of Delegates but understand why it didn't happen.	8/18/2020 6:16 PM
25	After watching a computer screen for a few hours, I got kind of zombie like.	8/18/2020 6:05 PM
26	I tried & tried to log into that session. Didn't happen!!!!	8/18/2020 6:02 PM

Q7 What additional comments or suggestions do you have regarding the seminars that were offered?

Answered: 27 Skipped: 65

#	RESPONSES	DATE
1	It was a good selection and the ability to leave one and join another if it was not to one's liking was a great opportunity.	8/25/2020 10:12 PM
2	Most of them were too short and they all seemed rushed. A few did not offer any information on the topic - how to handle difficult members was more of a recruiting seminar, the 2019-20 Governor didn't impart any new information at all, public speaking was very good, could've heard more.	8/23/2020 7:05 PM
3	I'll have to go back and watch some of the seminars because once you get involved in one place you miss others.	8/22/2020 6:59 AM
4	Public Relations and Fundraising with Anna Wu was the best informative and inspirational speaker as well as the material presented. Being young is great again.	8/21/2020 9:22 AM
5	Most of the seminars I attended were great. Speakers were very knowledgeable about topics and could provide interesting resources.	8/19/2020 4:15 PM
6	You need to improve the nuts and bolts of Zoom. Often the sound was not loud enough or broken up so it was hard to follow. Same with Powerpoint presentations. They were illegible in some cases. Thank you for sending us the link to go back and find the ones we are interested in.	8/19/2020 3:43 PM
7	The session on diversity did not address people of color. Our clubs are too white and don't represent the neighborhoods they support. We need to be welcoming to all members in the community. I was hoping for some ways to reach out to the disadvantaged people of color in our community.	8/19/2020 2:47 PM
8	While it can be cumbersome, this format is a good tool to do training for more folks.	8/19/2020 2:04 PM
9	Better than not having a conference. Some were better than others as is always the case.	8/19/2020 1:29 PM
10	I was mainly taking the Lt Gov elect training. Could not attend classes	8/19/2020 10:58 AM
11	I wasn't sure which ones would help me suggest good activities for Key Club during Covid restrictions. I kept starting, then stopping several sessions. The Fundraising session with Anna Wu could have gone on all day and pleased me!	8/19/2020 9:24 AM
12	I was only in Lt. Gov and President meetings	8/19/2020 8:58 AM
13	Many conflicted with the Florida convention sessions which were happening simultaneously.	8/19/2020 8:26 AM
14	I had work that prevented attendance, but feel online training is the way to go!!	8/19/2020 8:06 AM
15	I hope to view them on Facebook	8/18/2020 9:58 PM
16	Some people didn't really present much while others needed more time.	8/18/2020 9:40 PM
17	Great Virtual seminar	8/18/2020 9:37 PM
18	Need less emphasis on New Club Building during LTG training. Focus instead on saving and strengthening the clubs we have NOW.	8/18/2020 9:28 PM
19	Good mix of content. Hard to decide what to attend! Excellent workshops.	8/18/2020 8:52 PM
20	Great presenters	8/18/2020 7:12 PM
21	I would have like to go to the Demystifying the Grant Process but didn't see it as a separate seminar.	8/18/2020 6:36 PM
22	Diversity session had good presenters. I was looking for how to have a diversified club, and it seems that it was presented as opening completely separate clubs. Which is ok too, just not what i thought it was going to be.	8/18/2020 6:33 PM
23	More training for membership committees. I attended Finding New Members but would like to have had more.	8/18/2020 6:04 PM
24	So much I wanted to see, but time here didn't allow. Picked and choose a few subjects.	8/18/2020 5:57 PM
25	Looking forward to Zoom download chart for workshop sessions. We need more in-depth exposition of structure for specific service and administrative committees	8/18/2020 5:55 PM
26	Just not the same-no real team building	8/18/2020 5:52 PM
27	Easy to go to and from each room -- worked well	8/18/2020 5:52 PM

Q8 Overall, what additional comments or suggestions do you have regarding the conference in general?

Answered: 36 Skipped: 56

#	RESPONSES	DATE
1	We should go virtual next time as well. Attending a full convention in a distant location is very expensive and time consuming...this was better.	8/25/2020 10:12 PM
2	I think we need to keep this component even if we get to go back to live conventions, it's a great way to share information with members that don't want to attend DCON.	8/23/2020 7:05 PM
3	Adding in a class on Club Risk Management would be great. Most clubs have (or should have) an Insurance Advisor and a training class for them at the District level would be of great benefit.	8/22/2020 11:56 AM
4	I was in session all day but missed a lot so I will have to go back and view some of the recorded educational sessions	8/22/2020 6:59 AM
5	Open the chat again, since it really closed the communications channel. If necessary assign a second person to each session for zoom management and chat moderator.	8/21/2020 9:22 AM
6	looking forward to DCON 2021 in San Diego!	8/20/2020 5:41 PM
7	Only possible suggestion is that if we do virtual events in the future, maybe try doing on a Saturday and Sunday, for those of us who work on Friday.	8/20/2020 10:23 AM
8	I know chat boxes can get annoying and distracting, but it would have been helpful to have something of that sort for people to ask questions at the end of presentations.	8/19/2020 4:15 PM
9	I think if you work out the kinks, this is way better than having an in-person gathering. We were not planning on spending the time or money on traveling to the conference, but really learned a lot and were glad we could toon in!	8/19/2020 3:43 PM
10	Being there is better but this works too. Plus saves clubs money	8/19/2020 2:04 PM
11	There is definitely room for overall improvement.	8/19/2020 1:29 PM
12	I hope this sessions were recorded so that we can take the classes in our own convenient time.	8/19/2020 10:58 AM
13	Great first effort. I'm so glad you made it happen. You might give us guidelines for how to make this happen within our own clubs or DCMs. We long to be active, but safely.	8/19/2020 9:24 AM
14	The best that can be done in Covid world	8/19/2020 8:58 AM
15	Virtual conferences may not be ideal, but they work and a reasonable alternative going forward...	8/19/2020 8:06 AM
16	Because it was entirely online, it was easy to lose interest and switch to another window to work on something else that needed doing. The seminars weren't exactly riveting enough to hold your attention! That's the downside of doing things online.	8/18/2020 10:54 PM
17	Because of how the tracks were run, I had to make serious choices and I wanted to learn more for my club. Also, why were all the sessions on a Friday, when some of us actually have jobs? Not all of us are retired or able to take time away from our jobs for the conference. Why not use Saturday for repeats so members could learn more?	8/18/2020 9:40 PM
18	Tim Cuning has been a great leader and Governor. Both inspiring and motivating.	8/18/2020 9:37 PM
19	Some technical hiccups were expected, and those are excusable. Overall a good conference despite the circumstances. But why couldn't we have a few workshops on Saturday when more people are off from work????	8/18/2020 9:28 PM
20	Some technical issues; e.g., I don't think Donna Jander knew that she was not sharing her screen for the entire presentation. House of Delegates - watched the chaos on YouTube. Makes me feel that there were issues of integrity on the election process. I believe Mark needed help to be able to MUTE participants because of distracting background noise and some did not realize they were on camera and being heard.	8/18/2020 8:52 PM
21	Kudos to those that made this happen. Going virtual could not have been easy. Hopefully a one time situation.	8/18/2020 8:26 PM
22	Considering the circumstances, I'd say the conference was an overall success.	8/18/2020 8:13 PM
23	Good job under challenging circumstances.	8/18/2020 7:35 PM
24	All sessions should have it so no one can unmute themselves unless host allows it. Many people interrupted because they could not keep themselves unmuted.	8/18/2020 7:27 PM

25	Great!	8/18/2020 7:12 PM
26	Sometimes the session started before the posted time on the schedule . Did hear one person explain that there is a ten minute or so break between so people can move rooms . So more awareness to wait until Posted time . Missed the beginning of one because I left one , went back to the schedule to get the zoom room , but missed part because of the early start . Intend to go listen to the sessions I had interest in but see because at another .	8/18/2020 7:09 PM
27	This is the future. Destination conventions should continue, but we should adapt remote attendance. COVID-19 forced all Kiwanis into the future, let's embrace it, refine it and be NEXT	8/18/2020 6:42 PM
28	It was fairly easy to navigate once we figured out the different rooms and how to get to them. You did a good job of coordinating everything. But I sure did miss the in person convention. Hope this mess ends soon.	8/18/2020 6:36 PM
29	It was much better than I thought it would be, at home and all. I wish I had been able to attend on Saturday.	8/18/2020 6:33 PM
30	It was better than expected.	8/18/2020 6:08 PM
31	Good idea but the ZOOM method HAS to be done in a way that WORKS FOR EVERYONE	8/18/2020 6:04 PM
32	It was so easy to attend, I was very disappointed that more of our members did not attend. Missed the interaction with other clubs.	8/18/2020 6:04 PM
33	I'll be watching the replays!	8/18/2020 5:57 PM
34	It would be helpful to facilitate committee specific zoom discussions with related guidance.	8/18/2020 5:55 PM
35	Did the best we all could do because of Covid/ better than nothing!	8/18/2020 5:52 PM
36	The Interclub lunch speaker just duplicated much of what he said the previous day in Successful Club Leadership. Not worth hearing it twice.... Get a different speaker next time. Also it was done in 20 minutes!	8/18/2020 5:52 PM
