The Objects of Kiwanis

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business and professional standards.

To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and good will.

Have you said YES?

Youth Education Support

Youth: Student Leadership Training & Development - Your gift to the YES! Initiative supports all District Student Leaders to attend board meetings and trainings by covering costs - such as housing, transportation, and meals - allowing any student to participate no matter the family's financial situation

Education: Scholarships - When you give to the YES! Initiative, you provide scholarships to our Circle K, Key Club, and KIWIN'S members, fulfilling their quest for a higher education and making the dream of college a reality

Support: Grants - Your YES! Initiative gift awards grants to Kiwanis clubs for new projects that make a difference in children's lives and their communities

Say YES today by visiting cnhfoundation.org/YES to make a gift to the YES! Initiative to support our student leaders and our Kiwanis clubs
