

Home Depot Loyalty Program FAQ

What is Home Depot Pro Xtra?

Pro Xtra is a loyalty program that provides benefits for buyers of large quantities of building and repair products. It's similar to loyalty programs for car rentals, airlines and hotels.

Does our club receive discounts at Home Depot on all our purchases under this loyalty program?

Kiwanis clubs who participate in the Pro Xtra loyalty program will receive:

- Access to volume purchase pricing and bulk pricing.
- 20% off on all paint, stains, and primers regardless of quantity purchased.
- Access to 24 months of purchase details and receipt images. Club treasurers can track materials purchased for all service projects and fundraisers. It's a great feature for projects that require expense tracking when a grant is involved.

How do I make sure my club receives the appropriate discounts at checkout?

Your club treasurer can provide a club member with a scannable key tag, which identifies your club's Pro Xtra account. Simply present it at checkout to ensure you receive the correct pricing. Using this key tag will also ensure your club's purchase details and receipts are captured and remain accessible to you for 24 months.

Should I also present my key tag when purchasing paint?

The key tag should be used with every purchase. When purchasing paint, you also provide the phone number that your club treasurer entered when setting up your club up in Pro Xtra.

What if I don't have my key tag when I make a purchase for a club project?

You can always keep your Pro Xtra account number in your phone or wallet and provide it at checkout.

How does the treasurer or other club leader see our account purchase history and receipts?

Your club treasurer has online access to detailed information about Pro Xtra account purchases, images of receipts and any purchasing perks that may have been awarded.

Are any codes required when I'm setting up our club with the Pro Xtra program?

Yes. The code is: Kiwanis.

Where do I find out more and sign up my club for the Home Depot Pro Xtra loyalty program?

Go to homedepot.com/proxtra.
