

Ray Huff

January 22, 2021

Ray joined the Hollywood/Los Feliz Kiwanis Club in 2008. He had just retired at 65 yo as he now had time to join our club and he and his wife, Jackie, were going to travel the world. Sadly, Jackie died shortly thereafter following a procedure at the hospital. Ray was devastated. We all grieved with Ray and he took some time to collect himself and, after a while, Ray came back to Kiwanis.

Thus, began a rebirth of Ray's purpose in life. Ray jumped in with both feet and served on committees, became president of our club, later he joined the Glendale Kiwanis club. He then served as Lt. Governor for Division 3 in 2014/15 and most recently he was serving as secretary for our club upon his passing.

Ray recently told me, "Kiwanis saved my life, it gave me purpose and a reason to keep going".

Well Ray,

You've served our country

You've served our students

You've served Kiwanis

You've set an example for all of us to follow

We'll miss your smile

We'll miss your humor

We'll never forget you

Goodbye dear friend
