Q9 What, if anything, did you dislike about this convention?

#	RESPONSES	DATE
1	The food was terrible	9/11/2021 3:29 PM
2	Signage was lacking We should have had "ask me" folks with big obnoxious hats or something so attendees could see them Hotel was "tired" a bit but I'm so glad to come back to San Diego and not have it be the town and country!! Governor Gary was inappropriately rude to that man in house of delegates. Inexcusable!! He owes that man and the entire delegate body an apology	9/7/2021 4:45 PM
3	It seemed like we were forgotten step-children by the hotel. Minimal staff. Minimal food service availability. Scrimpy lounge.	9/6/2021 12:22 AM
4	Parking	9/2/2021 12:56 PM
5	Just having seminars on a Friday. I think having them on Saturday and Sunday would be better.	9/1/2021 6:43 PM
6	The fact that all meals and general sessions were in a large tent away from our tower.	9/1/2021 12:18 PM
7	Not having techs to set up audiovisual, had to use Key Club & CKI in the pinch	8/31/2021 8:09 PM
8	Check-in was terrible. No way-finding, no legible signs to direct participants. sharpie on 8.5x11 doesn't cut it.	8/31/2021 9:44 AM
9	limited of eating places in the hotel	8/30/2021 5:05 PM
10	I thought the response to people objecting to an Amendment was very rude.	8/30/2021 4:28 PM
11	The location of the seminars versus the main meetings. The distance was too far for many to walk and the jitney service was quite slow.	8/30/2021 3:59 PM
12	The meetings & poor meals in the pavilion.	8/29/2021 12:36 PM
13	I did not feel safe at the convention. With the delta variant, masking indoors should of been required. I decided to not attend sessions because of this. 1/3 of covid cases are breakthrough, so being vaccinated isn't enough right now.	8/29/2021 8:56 AM
14	I loved everything about it!	8/28/2021 11:47 AM
15	The walking to the general sessions.	8/28/2021 11:05 AM
16	To much walking due to being injured. I had two wasted meals. \$75.00 steak which I did not order and could not even cut with knife. No seafood brought back! Past Gov Tim's dinner	8/27/2021 9:45 PM
17	The convention prices were high, especially the meals. The salmon dinner at the Installation was the only expensive tasting meal. The Deli would be my option for all meals another time. Many participants had hearing aids. Noticed they had a difficult time, especially when speakers opted to use their voice only.	8/27/2021 4:12 PM
18	Hotel restaurant and interclub luncheon food.	8/27/2021 11:32 AM
19	Two of the invocations/inspirations were not appropriate. Need to be non-denominational. Chicken lunches were awful !	8/27/2021 11:09 AM
20	Election politics	8/27/2021 6:47 AM
21	no air conditioning at luncheon and business meeting	8/26/2021 8:53 PM
22	There was some tension around the politics. It seemed like the Governor was intolerant of certain people who expressed opinions with which he disagreed, or who were less-knowledgeable than he is about procedures.	8/26/2021 7:51 PM
23	It is disappointing that all of the general sessions are in conjunction with meals and how expensive all of the meals are. After paying \$200 for registration, I couldn't afford the meals, which means I missed out on most of convention. It would be great if it was easier to attend the general sessions without paying for the meals.	8/26/2021 7:16 PM

24	Cost too high, especially meals. Too hard for most members to attend. Several speakers opted out of using a microphone but so many are hearing challenged and missed a lot. Hotel very expensive. Meals ridiculously priced for what was delivered.	8/26/2021 6:31 PM
25	Meals were crazy expensive and the food was poor to mediocre at best.	8/26/2021 4:42 PM
26	When the power went out on Sat and the lunch and session continued on, That was not okay. Inside with 100's of people and no air movement. It's against everything we know about cover-19	8/26/2021 3:47 PM
27	Having the two buildings 1/4 mile (est) appt was not good as all the hotel facilities were in the other building	8/26/2021 3:15 PM
28	The person who decided on the grid did not always think about where things were scheduled, courses that conflict with each other, etc	8/26/2021 2:56 PM
29	The hotel on the whole needs to be upgraded. especially the hot water system.	8/26/2021 2:38 PM
30	cost of food	8/26/2021 1:44 PM
31	The logistics were a bit challenging. I also thought the discussion/debate over the proposed amendments were unnecessarily uncivil and contributed to the failure of measures that should have been successful. A more diplomatic approach to feedback would be more becoming a group of Kiwanis.	8/26/2021 1:34 PM
32	The quality of the Convention Program as compared to the Program for the Foundation Honors Breakfast.	8/26/2021 1:31 PM
33	Sorry the hotel had so many issues with guest services. The hot water on the 9th floor was not that hot. If we knew we were not getting housekeeping service we could have been prepared for it, just tell us. I had to go to our trash and wash a cup we had used before in order to use again. I do feel bad they did not have enough staff, just let us know.	8/26/2021 12:37 PM
34	pavilion being so far from the other meeting areas	8/26/2021 11:10 AM
35	The rudeness of the Governor. The COST	8/26/2021 11:09 AM
36	The invocation at the Opening General Session was inappropriate. To end the prayer with "In Jesus' name we pray" alienates every non-Christian in the room, including myself. We are a non-political and non-religious organization and I cringe when I hear invocations ending that way. It makes me uncomfortable asking any non-Christian friends to join. This should be made clear to anyone asked to do an invocation. The power outage was unfortunate, as it became fairly warm in the pavilion. I understand it was beyond anyone's control.	8/26/2021 10:52 AM
37	I didn't mind the walk to the Pavillion, but I know some were peeved over it. All things considered, you did a good job putting a DCON on during these difficult time.	8/26/2021 9:59 AM
38	same desserts at meals (team dinner & lunch) same side at team dinner and lunch.	8/26/2021 9:42 AM
39	Sessions with meals were too expensive. \$60 for lunch? \$100 for dinner. If you want to be inclusive you need to get the cost down.	8/26/2021 9:39 AM
40	bay tower as opposed to main towner	8/26/2021 9:02 AM
41	Negative campaigning.	8/26/2021 8:48 AM
42	Walking to the pavilion for meetings and meals was a real inconvenience.	8/26/2021 8:27 AM
43	Cost of the luncheons; distance from meeting rooms.	8/26/2021 6:53 AM
44	The hotel was a bit pricey and parking.	8/26/2021 5:46 AM
45	The check in process was very confusing. We stood in 4 lines by the time we got to the right one. Would suggest more signage or having an ambassador(s) on hand to direct people.	8/26/2021 4:24 AM
46	Walk to the pavilion	8/26/2021 12:04 AM
47	The food !	8/25/2021 10:59 PM
48	I did not like that no one from KI or the district addressed the underlying tension and racism that Russ was perpetuating.	8/25/2021 10:47 PM
49	The trustees and Mark changing the rules mid stream. Don't do that again and if you do, you'll lose a lot more members. We are volunteers!	8/25/2021 10:29 PM
50	Food very expensive	8/25/2021 10:17 PM

51	The hotel and food was not up to par for the costs.	8/25/2021 9:42 PM
52	Shuttling back and forth	8/25/2021 9:00 PM
53	Very expensive. Many did not attend the meal functions because of the cost. This was the highest priced convention I have been to.	8/25/2021 9:00 PM
54	Saturday lunch was horrid	8/25/2021 8:52 PM
55	The food was the worst 0/10. I understand the price is high because of being in a hotel but the food was awful and I saw so much of it go to waste. It was a shame for the price. If it was good then the price would have been worth it.	8/25/2021 8:48 PM
56	Singling out those unvaccinated with a special color wristband. This status is none of anyone else's business especially since a negative COVID test was proven.	8/25/2021 8:35 PM
57	ABSOLUTELY feel the COST of the meals was way overpriced! I could only afford to attend one of the meals. ALSO, you were not allowed to hear the meal speakers or see the award presentations without a meal ticket. This is WRONG. Try to set up the awards for general meetings and not connected to the way overpriced meals!	8/25/2021 8:24 PM
58	The installation dinner was HORRIBLE definitely not worth 100\$. If I wanted a small piece of pot roast I would have bought it myself and made it. Very dissatisfied.	8/25/2021 8:15 PM
59	the price of the meals that were offered as part of attendance at breakfast, interclub, etc event...	8/25/2021 8:09 PM
60	The delegate convention was excruciating. I am also indignant at the parking charges.	8/25/2021 7:51 PM
61	The Sheraton has been around long enough to have a backup plan & generators to accommodate guests and conventions. They were totally unprepared for the power outage. Solar backup is an option. Distance to the Bay tower was excessive. I heard after the fact there were shuttles, but I never saw even one. Signage might have helped.	8/25/2021 7:41 PM
62	High fees for parking and the meals. Using the Pavilion and having to go back and forth to the Tower for the events. Power outage not pleasant, but understand these things happen.	8/25/2021 7:37 PM
63	Enough people weren't following COVID protocol. We were told that you would be.	8/25/2021 7:30 PM
64	Meal accommodations, parking I am handicap and there was only 3 spaces available. I am not able to walk far distances. If I left I would have to give up my space. Our club is small and I am retired, we could not afford the convention meals - monies tight. I ate one meal a day at the hotel and then my meals consisted of cold cereal or sandwiches from the small shop on the marina. This needs to be addressed for all other conventions.	8/25/2021 7:29 PM
65	Angry Kiwanians during the House of Delegates	8/25/2021 7:26 PM
66	Power going out	8/25/2021 7:24 PM
67	Disorganized. Lack of signage. Also...I think we need to look closer, especially at what appears on the main stage and think what purpose it serves and do we need it.	8/25/2021 7:19 PM
68	Facilities meetings in the big tent (distance from hotel), power outage (beyond your control), no a/c or fans for air flow. Overall cost of hotel accommodations.	8/25/2021 7:04 PM
69	Meal cost was ridiculous.	8/25/2021 6:54 PM
70	None	8/25/2021 6:49 PM
71	Loved it all extremely informative	8/25/2021 6:38 PM
72	food	8/25/2021 6:34 PM
73	Some of the same information from before add a Kiwanis 202 for experienced Kiwanians	8/25/2021 6:33 PM
74	The food at the hotel	8/25/2021 6:31 PM
75	Hotel accommodations	8/25/2021 6:30 PM
76	The walking back and forth to the Pavilion, and of course, the loss of power and fresh air. Hopefully, this won't happen again.	8/25/2021 6:26 PM
77	The facility was not prepared or equipped for our group	8/25/2021 6:26 PM
78	Shuttle was not always running when needed.	8/25/2021 6:23 PM
79	Saturday Lunch at \$65.00 per was overprice and the meal was subpar. Great speaker	8/25/2021 6:22 PM

80	Not enough bathrooms. Not convenient	8/25/2021 6:17 PM
81	Breakfast Lunch and dinner, table to close together	8/25/2021 6:14 PM
82	The food	8/25/2021 6:09 PM
83	facilities were a bit disappointing but the views from the rooms were great	8/25/2021 6:08 PM

Q10 Please provide any other suggestions to improve the convention?

1	I love when Gary jander teaches. Glad he had two sessions Ana Wu great presenter too Love to learn from Steve seimans. Glad he taught seminar and was keynote at meal	9/7/2021 4:45 PM
2	Same as above.	9/1/2021 6:43 PM
3	Management did a great job setting this location, especially with the construction issues, Covid, etc. Great job to the DCON Comitte mebers.	8/31/2021 8:09 PM
4	having all convention rooms located in the hotel and not off site.	8/30/2021 5:05 PM
5	When people speak against soemthing, treat them with respect.	8/30/2021 4:28 PM
6	Have it close to somewhere that members can ghet a bite to eat and not have to pay high prices for meals. Not everyone wants rubber chicken for lunch.	8/30/2021 3:59 PM
7	I'll try to let you know.	8/29/2021 12:36 PM
8	Please continue to allow scooter rentals for those in my condition	8/28/2021 11:47 AM
9	Keep everything together in one place. Build a time in the schedule for fellowship. First timers or people who don't drink might be scared to go to hospitality rooms	8/28/2021 11:05 AM
10	Lower cost. This one I found to be extremely expensive and a lot of walking to the pavilion and back to hotel area.	8/27/2021 9:45 PM
11	Maps of all rooms being used for the convention provided with check-in. Handouts at sessions, so notes can be taken on them. On line after the conference ends is not very helpful.	8/27/2021 4:12 PM
12	Please provide note pages in program booklet Some sessions should be offered more than once.	8/27/2021 11:09 AM
13	less expensive food	8/26/2021 8:53 PM
14	The convention is too expensive for many members to attend. Ideally there would be options to enable members who are on a very tight budget to stay in a less-expensive venue, enjoy reasonably-priced meals, and benefit from some of the networking opportunities. Seminars could be recorded and made available for members to view afterwards.	8/26/2021 7:51 PM
15	Meals at a reduced price.	8/26/2021 7:16 PM
16	Speakers need to repeat questions coming from audience if not using a microphone.	8/26/2021 6:31 PM
17	I will not be a delegate next time. I have no confidence in either of the Governor candidates	8/26/2021 4:42 PM
18	I love the layout, But with all the discussion about relooking at how we do events something needs to change. I am not sure what but we need to be the leaders	8/26/2021 3:47 PM
19	Use a hotel that has two equal building (i.e., facilities and amenities) or only one building with everything in that building.	8/26/2021 3:15 PM
20	Is it possible to have hotel with in walking distance to shopping areas such as pharmacies and other stores to purchase products not at the hotel shops. The convention on the whole was well planned.	8/26/2021 2:38 PM
21	The programs to be of the same quality and proofed for correctness.	8/26/2021 1:31 PM
22	The convention was great, as a long time member, I learned some new things that I will use to improve our club.	8/26/2021 12:37 PM
23	Making it more affordable. Having the younrger presenters.	8/26/2021 11:09 AM
24	It might be helpful to go over the parlimentary procedure before the House of Delegates so that those new attendees can understand the process and what is going on. We want to encourage new members to attend and participate, but when they don't understand they can't fully particpiate. Also, maybe having an overview session on what the proposed changes are so people can understand them ahead of time (not just have them sent out via email). You have	8/26/2021 9:42 AM

	the candidate meet & greet session, which is fantastic, but why not an overview of the proposed changes too?	
25	Having clubs pay full cost of SLP and CKI visitor's meals is a scam. This should not be a fundraiser!!!!	8/26/2021 9:39 AM
26	I have a planner that would take district conventions on another level.	8/26/2021 9:02 AM
27	Let's liven up the general sessions with music, videos, photos, interaction with audience. I understand the challenge of power outage, and applaud staff/presenters with how they handled this challenge!	8/26/2021 8:48 AM
28	The Lt. Governors should be fed first at the Installation of Officers dinner. Also the election results should be read with votes cast for each candidate.	8/26/2021 8:27 AM
29	Different venue or location where more members can attend due to cost of registration and hotel. It was depressing to hear more club didn't attend the convention versus attendance	8/26/2021 5:46 AM
30	I thought it was great. Just got a little frustrated with the check in, but it was a nice time in a beautiful city. Thank you.	8/26/2021 4:24 AM
31	When you have people in a leadership role, they shouldn't be talking about others with ill will. Very disappointed that Kiwanians are spreading rumors about others, it's sicken me with what's happening in today's world.	8/25/2021 10:29 PM
32	A map to all the conference rooms.	8/25/2021 10:17 PM
33	Try not to have the large meeting/meal room so far from the rest of the venue.	8/25/2021 9:00 PM
34	Evening theme social like at international Evening auction, etc.	8/25/2021 8:48 PM
35	I attended the Saturday luncheon. \$65 for a nice but small piece of chicken, some veggies and rice, and a roll and desert and coffee. Service was good but the food cost was WAY overpriced in my opinion. Please lower meal prices or separate the awards presentations from the meal programs. I do plan to attend in 2022, but hope the meal costs will be better negotiated.	8/25/2021 8:24 PM
36	reduce the cost meals	8/25/2021 8:09 PM
37	At least one service project or the like each day.	8/25/2021 7:51 PM
38	Didn't attend the luncheon or dinner because the prices were cost prohibitive...	8/25/2021 7:41 PM
39	More open space for registration and exhibits.	8/25/2021 7:37 PM
40	Thank you for choosing a cool location and avoiding the heat of Nevada	8/25/2021 7:26 PM
41	Backup power for all locations of hotel	8/25/2021 7:24 PM
42	Most of my complaints about hotel may not have been their fault. At another conference a week prior I found hotel and convention center understaffed and untrained with limited food options. I think we as Kiwanis can do better, not just staff, but all who saw gaps in organization and didn't step up to help. I don't know why for example I didn't write out a "Registration" sign and hang it and another "Registration is behind you" on the opposite wall. I saw the gap and didn't even consider filling it. Overall... great job Kiwanis for getting back to a live conference. Far better than sitting at home.	8/25/2021 7:19 PM
43	Its going to be extremely hot in Indian Wells next year, provisions/facilities concerns.	8/25/2021 7:04 PM
44	It was GREAT!!!	8/25/2021 6:49 PM
45	We had a speech of change. But I think there need to be a seminar on it. I kinda felt that many young Kiwanians feel unheard by leadership. Membership is getting older and there is a need for youth in leadership. Don't get me wrong our leadership is fantastic but not sure if they understand the need of youth	8/25/2021 6:38 PM
46	none	8/25/2021 6:34 PM
47	?	8/25/2021 6:33 PM
48	More networking opportunities	8/25/2021 6:31 PM
49	Please allow for more interaction between seminar sections for people to cross-pollinate. I am not someone who enjoys the hospitality suites so would appreciate more time to get to know Kiwanians from areas.	8/25/2021 6:26 PM
50	More family-friendly events. Possibly utilize SLP members to provide child	8/25/2021 6:23 PM

care/crafts/activities for the kids while parents are in workshops/ general sessions. If there is a family-friendly attraction nearby Convention site, offer discount tickets for purchase on-site, particularly as an alternative to golf tournament.

51	More diversity among our speakers	8/25/2021 6:08 PM
52	more time to look at booths more booths more choices workshops	8/25/2021 6:00 PM
