1	Hard to get to other presentations when they are offered only one time and in LTG classes But have seen been to some of those in the past.	2/21/2022 3:01 PM
2	Might be included in the Secretary/President seminars so please ignore this comment if necessary. Go over reports and due dates and have a resource listed on where they get help. Some of the reports are confusing. Have a new seminar, booth (even sharing), and/or resources available on Health Care/Well Being/Fitness. Everyone is getting older. Program/Speaker - How to find and sharing good ones that would be interesting to members and/or guests at our club meetings	2/20/2022 12:27 PM
3	More on general leadership	2/19/2022 1:29 PM
4	More on how to expand membership from all age groups.	2/18/2022 5:27 PM
5	The Youth Protection Guidelines had great presenters and information but allowed too many questions on some subjects and have to skip through other portions. (I was guilty of asking too many questions but it's hard not to on this particular subject) maybe make this a double session.	2/18/2022 1:50 PM
6	Connecting with your community, what we can learn from our SLP, finding meaningful service projects, lunch speakers on topics we all should be discussing—membership, making an impact, diversity	2/18/2022 12:35 PM
7	Continue with fundraising ideas and membership building. Glad to find the diversity and equity emphasis is inclusive of everyone, but our true goal is helping kids.	2/18/2022 10:48 AM
8	In my opinion - the treasury class needs more time AND to be split up because so many clubs have a 501(c) 3 and it can be very confusing - especially for Calif. and all the forms that have to be completed. And Secretary/Treasurer should be a combined position... simply because the Secretary has to complete the forms and the one with the knowledge and answers is the Treasurer. A class is needed for both positions to attend so they both fully understand what is needed and why.	2/18/2022 9:48 AM

18	Dealing with difficult members with focus on diversity and its challenges.	2/17/2022 5:43 PM
19	There should always be a session for current LtGs and Lt. Governor-elects. Club Opening workshop (may only be a few participants but that's okay).	2/17/2022 5:29 PM
20	Just more of same!!! Different perspective maybe!	2/17/2022 5:11 PM
21	Don't schedule Ridk Management, Youth Protection Guidelines, fundraising at the same time, but you can schedule Current year Presidents & Gov at same time as next year Lt. GOV & Gov or schedule both Lt.Govs & Govs sessions at same time.	2/17/2022 5:03 PM

I hope that these items were written down and will be used for a Standard Operation Procedure in the future. Bravo! The people at the booth were able to answer more than "where is the bathroom"? Garry Janden's presentations are always a favorite. He is clear, concise, informative and I always walk away with things that I can use. Q9 What, if anything, did you dislike about this conference?

Answered: 38 Skipped: 25

#	RESPONSES	DATE
1	No stairs on the first floor.	2/23/2022 6:06 PM
2	The lack of elevators at the hotel.	2/23/2022 3:55 PM
3	What happened to the new presenters that we have been seeing? Many presentations by same presenter. I love Ana, and like that she is working with other people as well in her presentation - that is training! I wish in this survey that you had listed the name of the presenter as well as the title (sometimes the printed title did not exactly match the title of the presentation)	2/21/2022 3:55 PM
4	non-working elevator	2/21/2022 3:17 PM
5	Too short! :)	2/21/2022 3:02 PM
6	Too much on the Foundation. Information on the foundations is enough when included in the Cal-Nev-Ha magazine. Speakers at the should share their messages with each other because a lot of the speeches repeat over and over the same message.	2/20/2022 12:35 PM
7	TV were too small to view presentations.	2/19/2022 11:04 PM
8	Meals too expensive	2/19/2022 1:32 PM
9	Registration volunteer, I had several people very upset about the Covid/color of the wrist bands, silver vs. gold. They thought it was discriminating.	2/19/2022 10:04 AM
10	The cost of meals seemed excessive this time, so I chose not to attend either. I've never attended an evening event.	2/18/2022 5:32 PM
11	There is a room, looks like a dome, where the First Family Focus was held that smells terribly.	2/18/2022 1:54 PM
12	cost of lunch	2/18/2022 1:34 PM
13	Lack of time between sessions and gala on Saturday to visit suites. 5 is too early to start cocktail hour. Also, too many activities at gala, went on too long. Many did not participate and just watched or left.	2/18/2022 12:41 PM
14	Long way to travel through heavy traffic	2/18/2022 10:50 AM
15	Great job by the staff and Governor.	2/18/2022 10:20 AM
16	I really enjoyed this one - I attended way before I became a member.	2/18/2022 9:50 AM

20	Next to quickly get through the traditional parts and cut to the meat.	2/18/2022 7:45 AM
21	No breaks in between sessions. Lunch amd awards too long to be seated	2/18/2022 4:46 AM
22	Cost of meals seems high.	2/17/2022 10:15 PM
23	T.V.s were too low and too small.	2/17/2022 9:54 PM
24	not enough time	2/17/2022 8:50 PM
25	It seems as though the locations are never really good. This time next to the freeway. If you are going to a meeting out of town, it would be nice to be near the water or tourist things. It was the same thing in Vegas. 12 miles from the Strip. Disney World? The average attendee was over 60. The last SD meeting was out on the peninsula. The cost might be a little more for having in a central location. I am sure that most people would welcome it.	2/17/2022 8:34 PM
26	I went to advisor forum. Not what I thought it would be about. So description was not correct	2/17/2022 6:53 PM
27	N/A	2/17/2022 6:27 PM

28	The restrooms were far away	2/17/2022 6:26 PM
29	I thought that the Saturday evening Gala was too long. The hula hoop contest was way too long and looked dangerous for some people. The dance contest, lots of dead time. One or two dances would have been enough. The DJ was part of the issue, unfortunately. Hopefully, a more fun, friendly and professional DJ/coordinator will be conducting the Mid Year North. Loved the 1960's theme and music. More opportunity to dance would be nice.	2/17/2022 5:59 PM
30	N/A	2/17/2022 5:45 PM
31	The awards at lunch seemed out of place.	2/17/2022 5:34 PM
32	Rose Float Breakfast seating could have been 8 to a table. 10 is cramped and the room was small, too.	2/17/2022 5:20 PM
33	Separate buildings.	2/17/2022 5:14 PM
34	Too short!	2/17/2022 5:10 PM
35	Having to choose between interesting sessions at the same time.	2/17/2022 5:03 PM
36	Nothing	2/17/2022 5:01 PM
37	none	2/17/2022 4:49 PM
38	Giving out two colors of wristbands is a HIPAA violation and discrimination. When we comply with a negative test report this should be equal to a copy of a vax card; especially now when vaxxed persons are still getting C-19. Maybe we should just require a negative test from all attendees; because we could have been exposed to C-19 from a vaxxed person at the conference.	2/17/2022 4:49 PM

1	Obtain and use some sort of a riser for the TV screens that we are to see! Love the concept of the TV instead of the projector and screens, but do a very clear instruction sheet that is afixed to the TV so that the volunteers that are helping with set up can see what to do. Earlier completion and sharing of the grid. I was supposed to assist at a seminar and was also to volunteer, but had difficulty in committing to volunteer since I couldnt double book. Please consider including information about how to get to the hotel if arriving by air or train. I was quite surprised to discover that the trolley stop was VERY close to the hotel! I had just spent \$\$ on a Lyft ride. This was not the first time that CNH had been to this hotel, so the information was available and could have been shared. Include a session on FUNDRAISING using social media. I heard people talking about it, but don't know how to do that.	2/21/2022 3:55 PM
