

2022-2023 Realignment Committee Meeting

Friday, September 23, 2022
4:00 p.m.

Agenda

(I know this agenda may look overly ambitious, but many of these items will go quickly.)

0. Welcome and Introductions
1. Governor Val for her vision of, and mission of, the committee
2. Identify committee members' strengths regarding this mission
3. Choose a volunteer to be committee secretary/scribe
4. Suggested policy change in Committee membership totals
5. A quick look at divisions that are currently out of compliance
6. Subcommittees
7. Realignments and agreements from 2021-22; other new developments
8. Possible realignment of boundaries for Div. 15 and 36

Dear Kiwanis Friends,

I am pleased that you'll be joining me this year on the CNH Realignment Committee. I want to let you know from the start that our task will be different than in the past in a variety of ways.

First, though we will continue to identify weaknesses in our District, our focus will be to build up, rather than tear down, by turning those weaknesses into growth opportunities.

Second, this effort is so important we will be meeting monthly in one form or another. We'll have at least one meeting per quarter that is the whole group, and it's possible we'll have one or more subcommittees that meet when others are not.

Third, I want there to be as much transparency as possible. The more people know about our work and our mission, the better. This way, we are not operating in a vacuum; it also gives others outside of our committee opportunities to offer assistance in one form or another.

I also want to have open communication with those divisions that, according to our Master Policy Manual, Sec. 103 (see attached), might qualify for realignment.

We are privileged to have on this committee our four-headed membership-building team of Anna Wu, George Lange, Dan Germain, and John Crawford. Collectively, we will be ready to tackle this important work Governor Val has tasked us with.

Thank you for your time, your commitment to Kiwanis, and, most importantly, to the Children we serve.

Warm regards,
Bob Prior
Chair, CNH Realignment Committee
Cell: 951-642-1819
