44	I really liked the way that Jander gave the Foundation report at opening session - brief and to the point! The foundation seminar that Janders led was also great- having several people share very briefly and enthusiastically about their topic sub-part was helpful and interactive. So much better than the foundation seminars in years past- I hope this is the new normal! The foundation event was fun. I liked having the different options for food via the themed buffets. In the future, please do NOT read each silent auction "winner"! Consolidate them and then post on the screen via power point slide- just list the names of the people, not each item and the person's name!	2/2/2023 10:39 AM

12	I noticed the pedestrian bridge connecting the hotel and conference center presented mobility challenges for some of our older members.	2/3/2023 11:30 AM
13	Lots of fried food at gala - no salad or healthy options	2/2/2023 10:56 PM
14	Food staff did not look at allergy card and served my meal with mushrooms. The food was tasty but was very greasy and I had an upset stomach after. Everything else was pretty great.	2/2/2023 9:57 PM

27	No elevator from hotel to conference center	2/2/2023 1:41 PM
28	I didn't like that the Main Ballroom was in a different location than the session rooms.	2/2/2023 1:33 PM
29	The Tailgate party was a let down compared to other CNH dinners	2/2/2023 1:10 PM

30	Home office did not negotiate enough room reservations for date of conference Genius Bar at same time of educational presentations was stupid and very poor home office planning	2/2/2023 12:40 PM

37	I did not like that for two of the three sessions I attended the speakers did not show.	2/2/2023 11:42 AM
38	That conference pricing for hotel was only for Friday and that to drink & stay Saturday night was over \$550 for the night. Made a lot of people go elsewhere which kept us separated from the core group and made us feel separated.	2/2/2023 10:53 AM
39	This may be a minor point, but I don't enjoy eating meat. The others at my table said the steak was delicious, but I didn't eat mine, and the waiter said there were no other options. This was true in Santa Rosa last year. Luckily I sat with my wife and another member who don't like salads.	2/2/2023 10:48 AM
40	Needed a class for new officers	2/2/2023 10:44 AM
41	Lack of parking, split meeting locations requiring back and forth movement all day. Rose Float Breakfast room did not facilitate any video display and lacked a speakers podium.	2/2/2023 10:42 AM
42	It was very costly to get there! Flights expensive, rental car expensive and takes more than an hour to get there, parking expensive! While the accommodations were reasonably priced, adding in these other expenses makes it financially difficult	2/2/2023 10:39 AM

48	Exhibit tables needed more space	2/2/2023 10:22 AM
49	The foundation dinner needs to follow up with some dancing or other entertainment.	2/2/2023 10:22 AM
50	The location, although I love Monterey as a destination, it is 6 hours from our home driving, and we have 0 flight options to get there. The location needs to be more north (sac/SF area) to accomodate all clubs.	2/2/2023 10:22 AM
51	For the most part, the food was not good	2/2/2023 10:21 AM

10	Wish there were more sessions in the late afternoon to early evening :-)	2/2/2023 9:57 PM
11	I feel that the last couple of years we are working in the right direction at educational conferences. I would suggest that given the allotted time for seminars, a prepared video presentation containing ALL the important info CNH wishes to share and ,with live hosts of course for Q & A, should it be needed	2/2/2023 7:38 PM
12	Not enough about kids. Is there such a thing as kid or club speakers. Can we dig in there. That is what we are about right!	2/2/2023 6:20 PM
13	Definitely cheaper room rates and meals. Food was GREAT...but really over priced.	2/2/2023 5:57 PM

15	It was really well done. Sorry we missed the seminars but I heard great reviews!! Really expensive for us poor folks... but it was Monterey so we can't complain!!	2/2/2023 2:38 PM
16	Would like to go back to Monterey for a future conference/convention. Have more exhibits/seminars on personal growth.	2/2/2023 2:21 PM
17	More room at the Hotel.	2/2/2023 2:07 PM
18	Perfect as it was.	2/2/2023 1:41 PM
19	Maps of where everything is. More affordable so that members are able to attend (meals)	2/2/2023 1:10 PM
20	Valet parking for \$40 is absolutely atrocious- home office screwed up parking and room rate hotel on date of conference is very poor management skills planning and implementation	2/2/2023 12:40 PM
21	Interclub luncheon made me sick for 2 days.	2/2/2023 12:36 PM
22	Needed one more session for members who were not an officer.	2/2/2023 12:16 PM
23	Doing better every year	2/2/2023 12:13 PM
24	The cost of the lunch for what you receive is excessive.	2/2/2023 12:06 PM
25	What I wanted most was solid information on fundraisers and how that would work for my club. Even pass out flyers clubs used on their event would have helped. I walked away feeling the workshop wanted to brag about how their club did their great fundraiser but not really want to share the details of how that fundraiser worked. What if each club provided 2 flyers they used for their fundraisers and at your next event all the flyers could be shared to anyone who was looking for fundraiser ideals. Maybe list event cost and amount of volunteers needed. Not all	2/2/2023 12:02 PM

fundraising ideas got to be shared I got mine sitting next to someone who had a flyer in her folder for a upcoming event. If you found a fundraiser that makes 30,000 plus for your club why wouldn't you want to share the details so the clubs as a whole can do better.

26	To keep people safe and not drink & drive, hotel arrangements should be contracted for both Friday and Saturday nights. Keep the Gala fun! This was awesome!	2/2/2023 10:53 AM
27	I signed up fairly early and attempted to book a room before the deadline date. The Marriott was full. I found another hotel that I like better, but only because I am familiar with Monterey. A plan B & C would be nice	2/2/2023 10:48 AM
28	Choose places to hold the conferences that are easy to get to (airport closeby that is served frequently and by reasonable airlines; easy to drive to; etc). There is more to the expense of attending than simply the hotel price.	2/2/2023 10:39 AM
29	More signs!!!	2/2/2023 10:34 AM
30	Please have group/club registration available as an online process. Also, it's clear we have a majority of members who had issues with mobility and getting around from the conference lobby to the individual sessions.	2/2/2023 10:27 AM
31	I'M NOT CERTAIN SEMINARS WERE SPECIFIC ENOUGH. HARD TO QUANTIFY	2/2/2023 10:24 AM
32	Return to Monterey soon.	2/2/2023 10:22 AM
33	More brainstorming groups like the Club Showcases, it was great hearing what other clubs are doing to make them successful.	2/2/2023 10:22 AM
