| 1 | The lunch I was served as vegetarian was not was advertised | 4/7/2025 11:03 AM |
| 2 | Breakfast not inspiring-all bread not much protein. Needs eggs Lunch- rice was not cooked, some salmon under cooked, really could not eat much of it. Dinner was ok - usual dinners/sauce was tasty. | 4/7/2025 8:41 AM |
| 3 | Meal value poor. The vegetarian meal named in on line reservation was not served. | 4/4/2025 11:20 PM |
| 4 | Rose Float breakfast was HORRIBLE | 4/4/2025 2:02 AM |
| 5 | Rose Float Breakfast was advertised as also having country sausage and cranberry juice on the registration form. That aside, a seatmate requested a different meal due to dietary restrictions and was IMMEDIATELY served a completely satisfactory plate direct from the Kitchen. EXCELLENT attention by Marriott Staff. | 4/3/2025 7:36 PM |
| 6 | I really enjoyed hearing from Kevin Meyren | 4/3/2025 2:20 PM |
| 7 | Breakfast--sourdough bread used horrible/one slice of undercooked bacon. This is the first time I've EVER left bacon on a plate Luncheon--had veggie meal rice was undercooked (crunchy and hard) veggies were over cooked and slimy. Dinner-- basic roast chunk/ loved the asparagus | 4/3/2025 2:00 PM |
| 8 | The luncheon had good healthy food. | 4/3/2025 11:18 AM |
| 9 | Luncheon was bad. Supposed to be Mushroom Ravioli, instead got a plate of under cooked rice with undercooked vegetables on top. VERY disapointing. | 4/3/2025 8:57 AM |
| 10 | To only offer fish for lunch was ridiculous. I noticed most people at my table ate a little and pushed the food around like I did as a kid. A lot of food ended in the trash. Offer minimum of two for dinner. French toast for breakfast was fine but boring. The servers were very attentive and alert to making sure the water glasses were full as well as the coffee cups were never empty. | 4/2/2025 9:20 PM |
| 11 | pricing of event make more affordability members to attend. | 4/2/2025 5:23 PM |
| 12 | I can't eat bread so I don't have much of a breakfast. Lunch was either Salmon or Veg. I love seafood but don't like Salmon. Before dinner had to go to hotel restaurant for food. I did know that going in but had to choose the least offensive option for each meal. | 4/2/2025 5:16 PM |
| 13 | The dinner program could have had better entertainment, and the dancing was difficult on the carpeted floor. | 4/2/2025 4:34 PM |
| 14 | Meals are still awfully pricey comparatively - was better value to spend time with club and others at an offsite lunch and dinner | 4/2/2025 4:24 PM |
| 15 | The short ribs weren't short ribs. Tough | 4/2/2025 4:15 PM |
| 16 | Lunch food undercooked | 4/2/2025 4:14 PM |
| 17 | Food seems to be getting worse and worse each year, what can we do to fix this issue? | 4/2/2025 3:55 PM |
| 18 | The almost protein-less Rosefloat breakfast was not the best. | 4/2/2025 3:49 PM |

| 1 | I did not attend any seminars because I was volunteering at the store and other booths | 4/7/2025 11:04 AM |
| 2 | So many GREAT seminars and hard to choose which to attend. Maybe: send out a pre-event questionnaire with potential seminar topics to potential attendees to order sessions for maximum attendance. So many great topics it's hard to decide. | 4/3/2025 7:45 PM |
| 3 | Love Jande and Jerry Janders | 4/3/2025 2:26 PM |
| 4 | you make it so difficult to answer this survey- consider writing the name of the presenter instead of just the word "presenter". Sometimes I forget the title of the presentation, but I can easily remember the name of the presenter that I listened to | 4/3/2025 2:22 PM |
| 5 | Jerry Jander was great. I love learning leader skills Jane eriksen was great | 4/3/2025 2:14 PM |
| 6 | I love Gary Janders's presentation. I always learn about things I can apply right away in my club and my professional life. He has good energy. JAne Erickson was good again as usual. | 4/3/2025 2:09 PM |
| 7 | I felt the conferences I attended were the best overall that I have listened to for the past few years. Great topics as well as good presentations. | 4/2/2025 9:33 PM |
| 8 | The breakfast would benefit from a buffet style with eggs, sausage bacon or both and potatoes and fruit. Lunch would benefit from asking if people want dessert. About 2/3 of the dessert was waisted at our table. 1 person of the 8 had coffee. Ice tea was perfect for lunch. The salmon and the veggie dish was on some sort of rice that was cooked but not fluffy. It was strange to everyone at my table. Most people didn't eat the rice. Dinner was amazing, everything was perfect. I do t personally eat dessert and thought it wonderful to be asked. The sauce on the short rib was very good. It would be nice to have a mashed cauliflower choice instead of potatoes but I get the cost difference and how hard it would be to determine who gets what. | 4/2/2025 6:30 PM |
| 9 | The two ACE seminars seemed like they were the same, so I went to another seminar after the first one. The one I went to was good. I worked the store, so had to skip some sessions. | 4/2/2025 4:39 PM |
| 10 | Volunteered in District Store | 4/2/2025 4:35 PM |
| 11 | Need more workshops that track together on membership, growth, partnerships, and more. Repeat workshops morning v afternoon, or guarantee that certain items will be presented at DCON. Nice balance of new workshops this year. | 4/2/2025 4:27 PM |
| 12 | Make seminars more engaging and fun, Jane Erickson really did the best | 4/2/2025 3:58 PM |

We don't make the sting operations but are educating the public and working with the city to insure all businesses have access to the code number to call. Recently wrapped 7000 bars of soap with the phone number to call and dropped them off to the local hotels in the area.
