Q6 Comments or Concerns? on Rose Float Breakfast, Inter-club Luncheon or Diamonds are Forever: A 60th Anniversary Murder Mystery Gala?

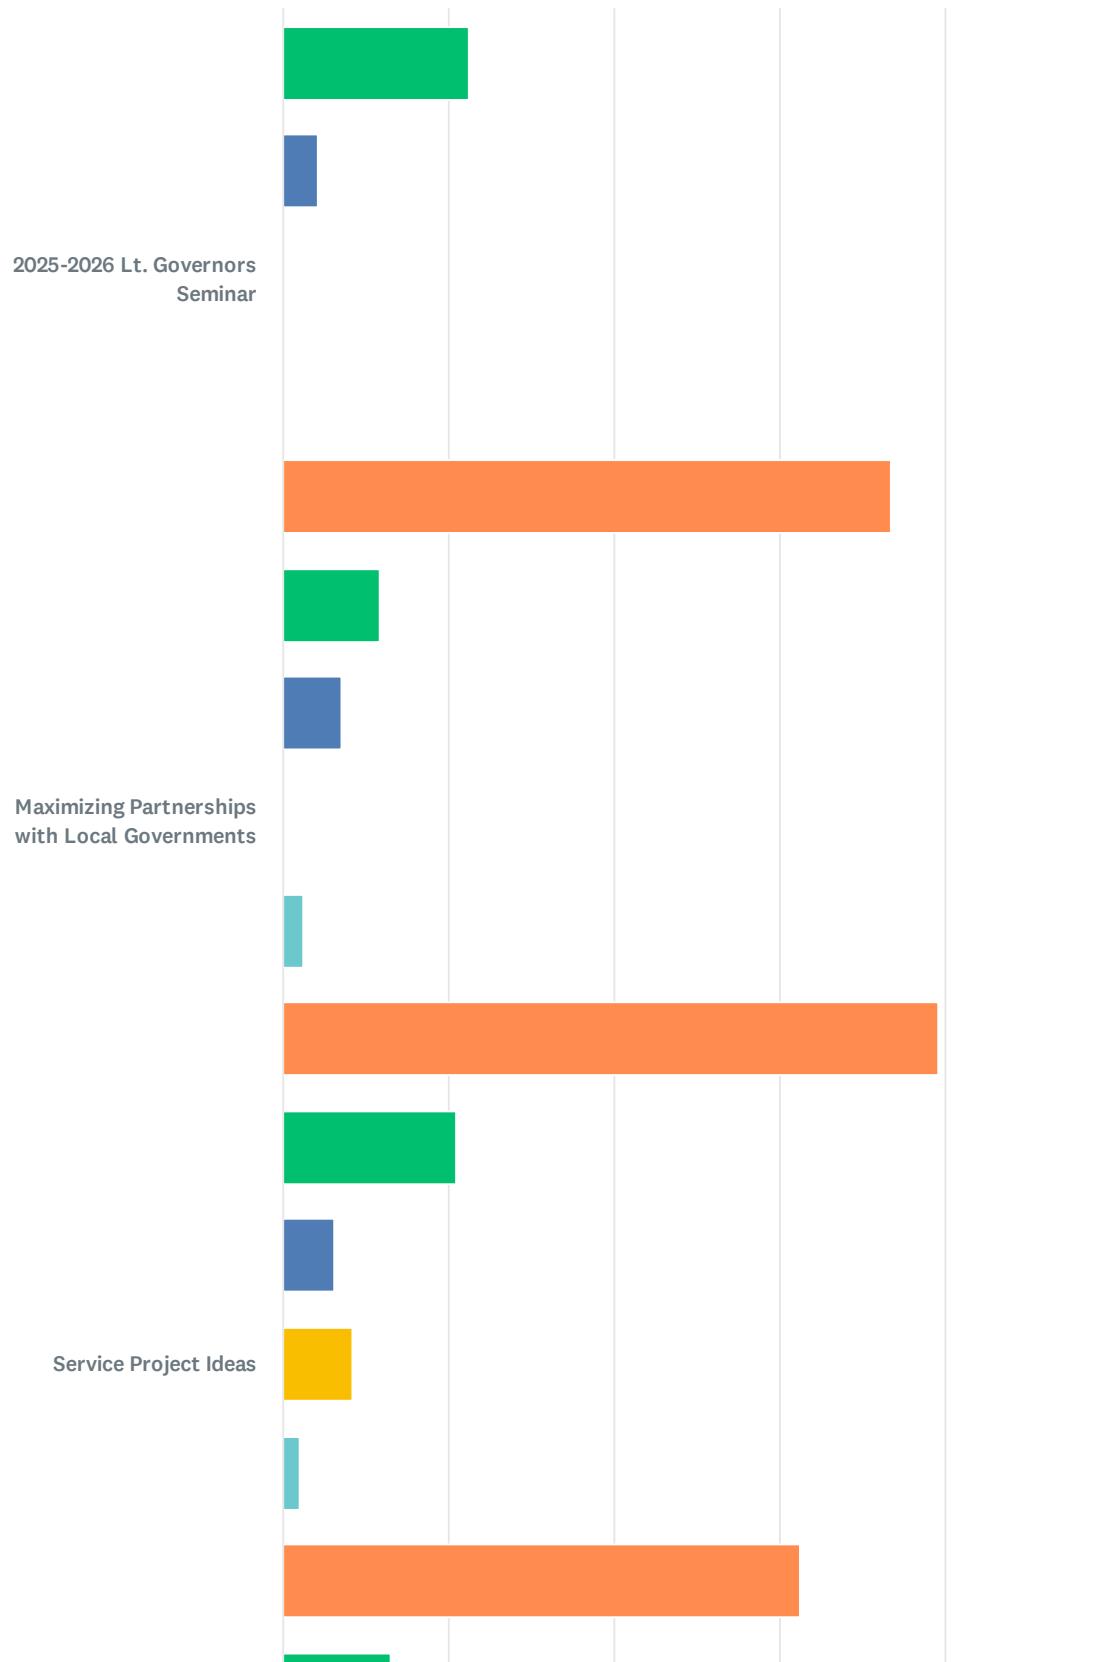

Answered: 28 Skipped: 32

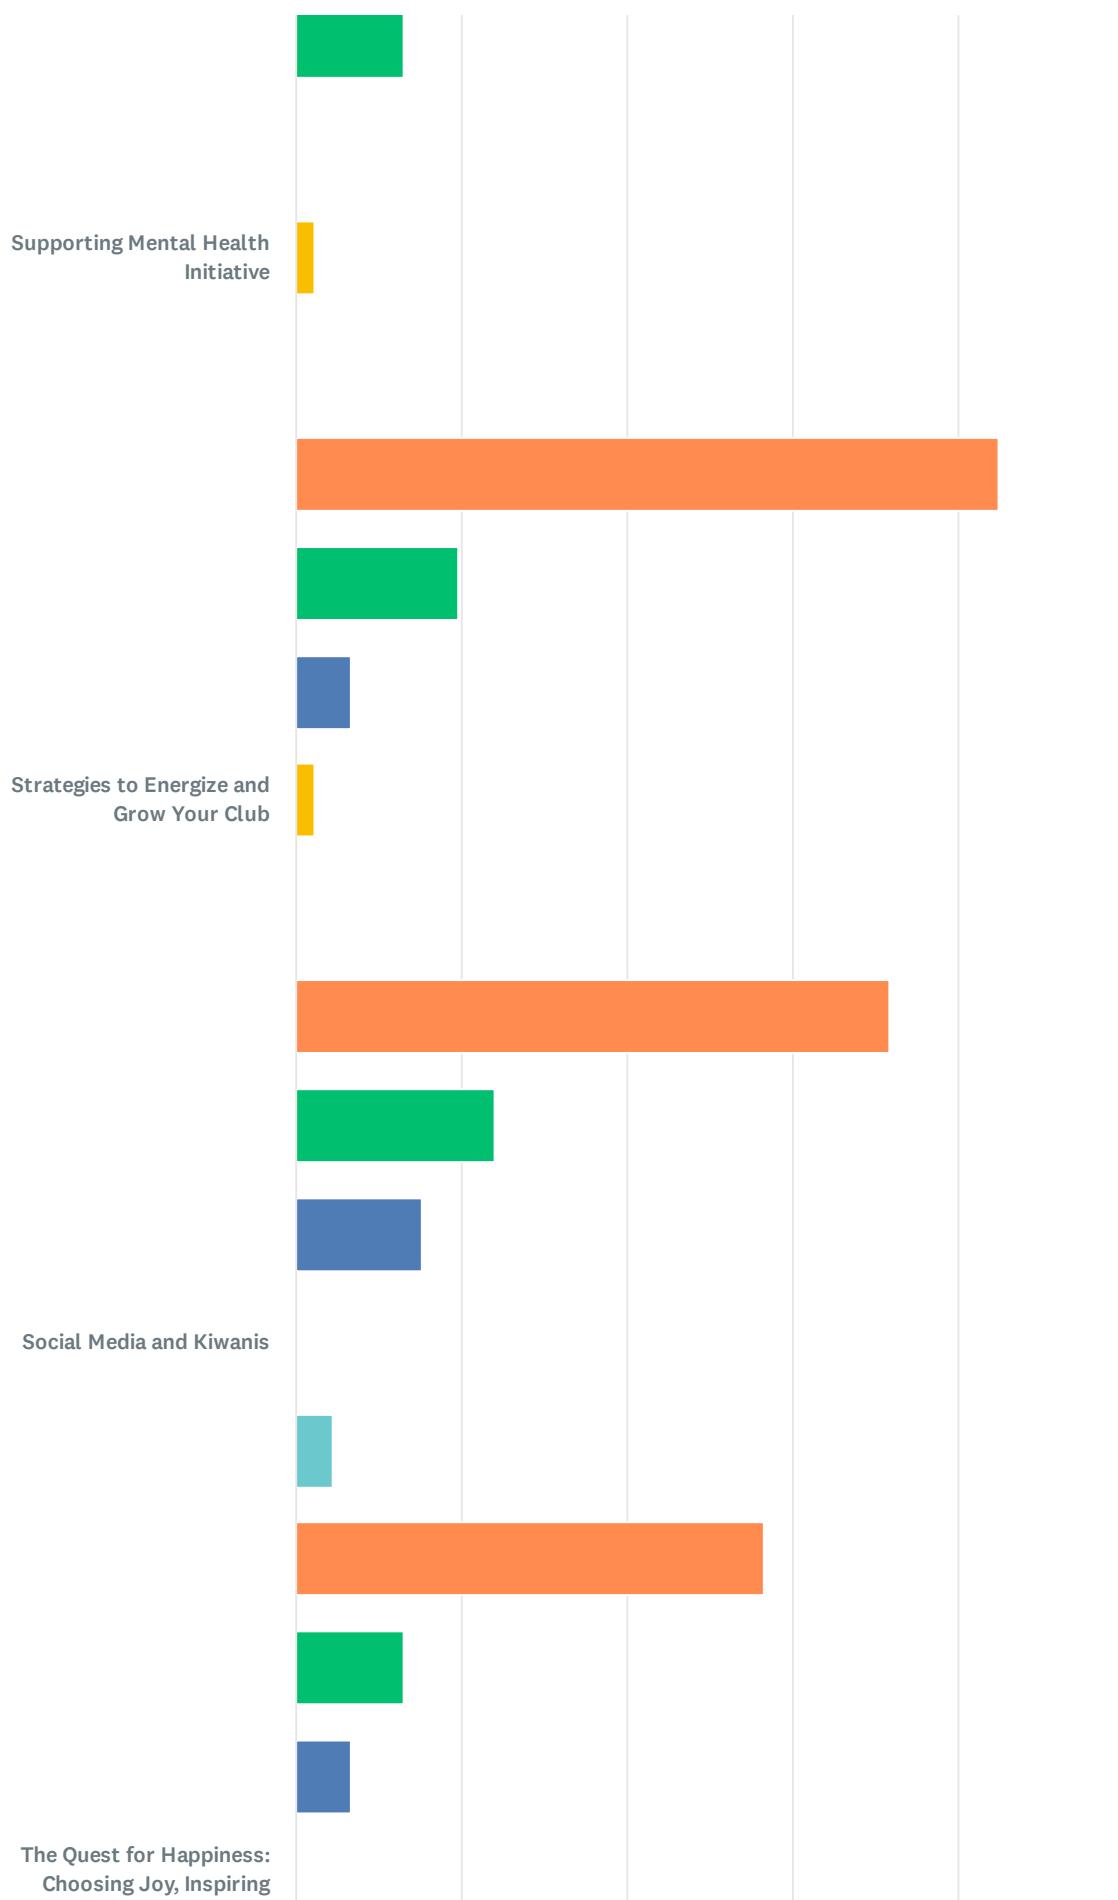

| # | RESPONSES | DATE |
|----|---|-------------------|
| 1 | I like that the Buffet Inter-Club Luncheon was less expensive (\$69) than a plated lunch! | 2/9/2026 12:37 PM |
| 2 | Having 'Save the Date' information for the next year's decorating schedule would be nice. | 2/8/2026 5:48 AM |
| 3 | The Murder Mystery was a little confusing but still fun. I really enjoyed the small silent auction and the gambling because I never gambled before. The wine raffle was fun and I liked the bubbly opportunity to win the diamond even though I didn't win. | 2/7/2026 1:56 AM |
| 4 | Murder Mystery was a real Mystery. No cohesion plot or the ability to follow it. The items in the auction were not as good as before. While the Vegetarian option was really good reports on the other option were really bad. | 2/6/2026 9:24 PM |
| 5 | The steak at the dinner was not good. It had a good flavor, was cooked perfectly, based on color but was very tough and Took effort to chew it. It needed a lot of salt to bring the flavors out. The veggies were perfect, the mash potatoes were excellent but the protein was poor quality. My particular steak was quite a bit smaller than those around me. Everyone at my table was having the same issue. One person at the table had the vegetarian meal and said it was served cold. They expected it to be warm. | 2/6/2026 5:08 PM |
| 6 | The only negative of the whole weekend was the steak quality, at the Diamonds are Forever Gala, was terrible. | 2/6/2026 10:06 AM |
| 7 | Gala dinner's meal was nothing to brag about, especially the overdone and tough steak. | 2/6/2026 9:42 AM |
| 8 | Cost for meals, events is too high | 2/6/2026 7:50 AM |
| 9 | The meat at the dinner was a brick. | 2/5/2026 10:30 PM |
| 10 | It was difficult to hear what was going on with the murder mystery - people were socializing and not paying attention - it was lost on many if not most people. Beef was super tough. | 2/5/2026 7:41 PM |
| 11 | For the gala, our table was very confused about the murder mystery. We didn't hear much of a story before and the "ending" was very unclear. | 2/5/2026 4:54 PM |
| 12 | First time at a convention and had a great time meeting so many people!! Will definitely be going to one again in the future, don't want to be negative but the dinner and auction was very strange to me, seemed very disorganized and not well thought out? Way too much going on and didn't understand the theme. You shouldn't charge people the cost of a fancy dinner and produce such low value food and experience. Seemed a bit tacky and poor planning with the game and auction items were lacking in luster. | 2/5/2026 3:43 PM |
| 13 | The meat at the Gala was inedible, couldn't cut it or chew it. The meal was disappointing and a waste of money. | 2/5/2026 3:09 PM |
| 14 | Meat at Gala was very tough and I didn't even eat it all. I forgot my meal ticket in the room. My husband went to get it and they would not serve me until he came back with the ticket. Everyone was served and a few people at the table told them I was OK. | 2/5/2026 2:52 PM |
| 15 | The Childrens Fund Gala was quite disappointing and is becoming a joke. Poorly arranged/organized/produced... no one knew what was going on!! It didn't feel welcoming at all. It was not fun. The only way you knew it was a 60th anniversary celebration was because there was a screen saying so. The meal entree was bad. Everyone complained about it. That begging for money from members after they just paid to be there was a total disgrace! All the scripts were screwed up and members didn't even finish what they were saying..(?????) If you are going to have a formal event supposed celebration of 60 years... the elected positions should partake (wear appropriate clothing) and be welcoming to the PAID guests. The cork/bottle thing is old; the auction table had nothing great. Overall.... i was very disappointed. | 2/5/2026 2:41 PM |

|----|---|-------------------|
| 16 | The meal at the Gala was inedible literally you could not eat the steak it was so tough. Everyone at our table had the same experience. The district should get a refund. | 2/5/2026 1:25 PM |
| 17 | Lunch flavorless food,no dessert | 2/5/2026 1:23 PM |
| 18 | Gala had too much going on couldn't keep up with murder mystery, singer was good but got interrupted by MC at end which looked bad, no music or dancing as expected. Dinner steak was too rare and tough/not good. Staff served half our table and didn't come back. Didn't seem well trained at banquet service at all a reflection on hotel F&B management. | 2/5/2026 1:14 PM |
| 19 | The food was abominable--could not cut it chew the meat. | 2/5/2026 12:51 PM |
| 20 | The meat at the gala was tough and uneatable. Interclub lunch was excellent!!! | 2/5/2026 12:24 PM |
| 21 | I'm sure I am not alone in saying the Dinner was quite disappointing. | 2/5/2026 12:06 PM |
| 22 | Excellent location, great facilities and plenty of parking. | 2/5/2026 12:04 PM |
| 23 | I'm sure those Fundraisers are amazing Not spending \$\$ to eat cold hotel food | 2/5/2026 12:03 PM |
| 24 | Please do ever do a buffet luncheon again. It is disappointing that conference planners did not consider handicapped members going first for meals. | 2/5/2026 11:52 AM |
| 25 | The audience talks during the presentation time making it very hard to hear the speaker. Perhaps we should call them to attention and ask them to be respectful. The mystery was hard to follow and I wasn't sure what was going on. Still don't know who was "killed" and who did it. The gambling tables were fun, but they got put away too soon. The singer was great and a lot of fun. Overall with all the conversation going on it's hard to hear the speakers and that's frustrating. | 2/5/2026 11:33 AM |
| 26 | Too expensive | 2/5/2026 11:11 AM |
| 27 | I love the Gala as a rule, but this year's seemed ... disjointed? The concept sounded great and was the reason I decided to attend, but the execution was a little lacking. It was also terribly rude to start announcing things over the singer, who wasn't told NOT to continue ... Additionally, I was VERY disappointed in the banquet service - having attended many conference banquets for many years, I have never seen servers ignore the women at a table and serve men first, nor to have two people left out of the initial service while other tables were then served first - i.e. 3/4 of the table had plates but, being polite, would not eat - meanwhile, other tables are getting served before they finished serving our table. It was not common courtesy of service for such a large hotel and facility. | 2/5/2026 11:10 AM |
| 28 | Really enjoyed the buffet lunch, great selection, more choices then just basic chicken or beef. Wasn't sure why there wasn't a main Speaker for the luncheon. Dinner food was terrible, seemed very disorganized, not sure who was in charge but for the amount we are spending I would think more planning would go into it. | 2/5/2026 11:10 AM |

| 12 | Lengthen the time in between each seminar session. Trying to get from one to the other can be hard especially if one goes over. Have the vendor tables stay open longer or allow a break time, or shorten the seminar times to allow more time for fellowship and visiting the tables. | 2/5/2026 11:38 AM |

I was disappointed that the Joy workshop was a little dry and not as engaging as I would have hoped, given the topic and the purpose. | 2/5/2026 11:13 AM |
