1	There were glitches, i.e., the pay system would bill a credit card for the conference registration fee but not for the cost of the Inter-Club Luncheon. Needed help from district office to get it done.	3/16/2017 3:50 PM
2	no	3/14/2017 5:15 PM
3	I belong to 2 clubs and I don't have the right password for Yucaipa Valley. However, I do have the right password for CA's Global Friendship since I am their Secretary. But I usually register for a conference with my primary club which is Yucaipa Valley. So I am never sure which club I will be registered with.	3/13/2017 7:16 PM
4	on the morning of the workshops, I had no idea when I would get my registration materials. I felt so insecure as to what and where things were going to be held. can we improve that process for new members who go to mid year.	3/12/2017 9:11 PM

18	Not all members have logins in for portal buzz which makes it difficult to register them.	3/6/2017 8:47 AM
19	list the seminars with the registration and have the person pre-determine what seminars they would consider taking so room space could be adequately assigned (not putting a speaker in a room for 250 when only 30 people were considering it). it might save the district some money on utilizing the space better (maybe even less space/cost).	3/6/2017 8:45 AM
20	There was a problem with lunch registration that needs a remedy.	3/6/2017 8:16 AM

25	That's hard to answer. Sometimes the system has a glitch. I'm sure it's a work in progress.	3/5/2017 4:59 PM
26	yes, more convenient	3/5/2017 3:48 PM
27	Allow family members that are both Kiwanians to register at the same time. Currently only on-line multiple registration is available to a Kiwanians and non-paying guest.	3/5/2017 3:01 PM

11	In my opinion, the core for secretary / treasurer / president / service / and succession seminars should be made mandatory of members, only 2 of our 7 members attending attended these important seminars but they still do not have a clue as to what it takes to maintain club. I do know that I try to educate them at meetings but goes in one ear and out the other	3/5/2017 9:58 AM
12	Seminars Sessions - Are like taking a drink out of an open fire hydrant. I would like to see more time spent on more narrow subjects. For example in Adapting Kiwanis to Busy Lives. The speaker was very good but too much data and not enough information on any specific area. The whole time could have been spent on how to use "sign up Genius, Mailchimp and Buffer App).	3/5/2017 9:13 AM

1	1. For those of us not going to conference breakfast, can you please provide coffee onsite for us? 2. The sound system in the Exhibit Halls was worse than terrible: muddled, impossible to hear clearly. 3. Suggest providing a critique handout to registrants that can be filled in onsite and as thoughts and reactions occur.	3/16/2017 3:56 PM
2	No signs in front of the center leading to the location up to a block away. Also free parking on the street would be helpful	3/14/2017 5:25 PM
3	I feel the Secretary and Treasurer Training should be in the morning. And I also think there should be more info for the experienced Secretary and Treasurer. Possibly the beginning Secretary could have a separate seminar from the more experienced Secretary. Also I feel the same way for the Treasurer.	3/13/2017 7:36 PM
4	Presentation by Foundation needed more details about programs funded and other opportunities	3/10/2017 1:06 PM
5	Too much repetitive information that has been presented over and over. Need new material for conventions	3/8/2017 9:32 AM
6	Did not find any source for coffee in the morning. Surprised there weren't more vendors.	3/8/2017 7:30 AM
7	more workshops . things to do friday night and sunday morning	3/6/2017 7:33 PM
8	The facilities dwarfed the membership--exhibit hall looked barren; the ballroom felt like it was set up for a group twice our size	3/6/2017 5:41 PM
9	Inter-club luncheon meal actually worth the price tag. 1000+% better than the repetitive chicken served in LV.	3/6/2017 3:10 PM
10	I think there should be a seminar that the clubs could interact with each other about problems or successes of fundraising or service projects, with a facilitator.	3/6/2017 3:05 PM

2017 Mid Year Conference South - Riverside, CA

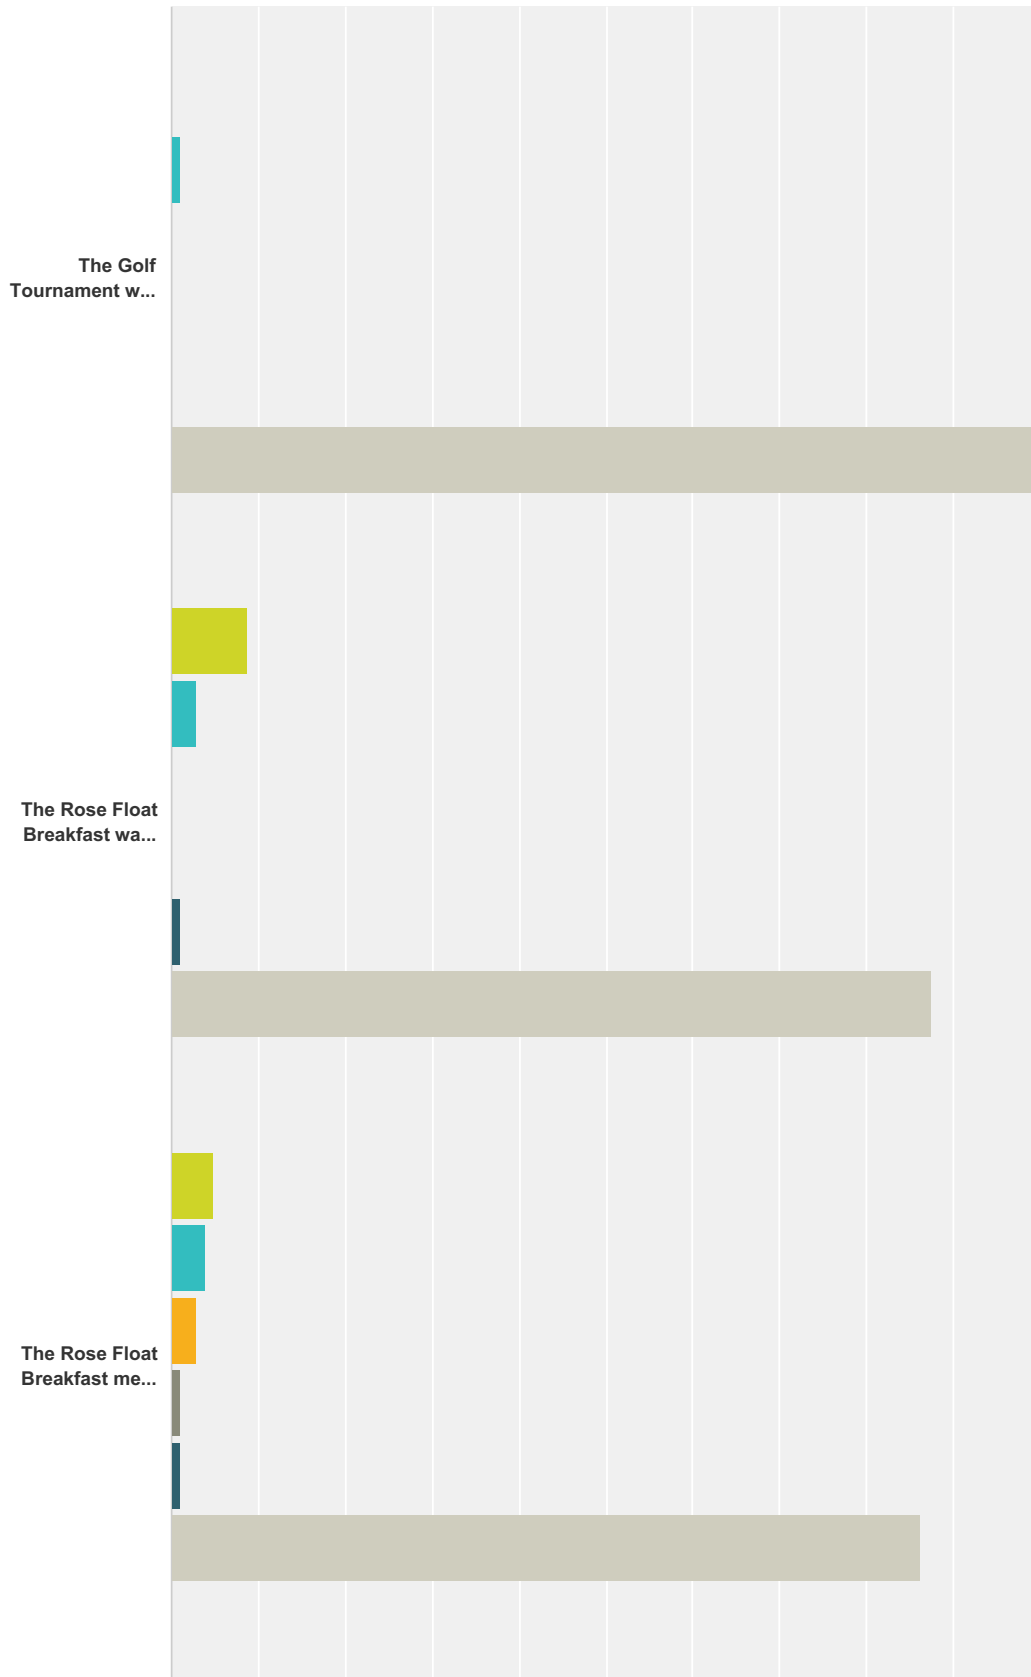

11	<p>I believe since membership is the most important area to emphasize, we need more success stories from Kiwanian membership committee members about what has worked for their club. Formula and I-Plan are great ideas but do not translate well to club members. I was in sales for 50 years and sales management for 40 years. What I learned in all those years is that when companies/organizations operate with top down strategies and don't have the ability to support the strategy to the bottom, they will fail. When a company uses a bottom up strategy and listens to the field people who are on the firing line everyday, they have a good chance to succeed. Kiwanis has the perfect structure to accomplish bottom up strategies with our Regional Trustees and Lt. Governors. But, I believe that KI believes that is how it is operating, but I do not believe that it is. I attended the board meeting in Riverside and I was amazed at some of the things that did not happen. Regarding the topic of realignment. Lots of heated discussion but no action. The chairman of the realignment committee, when asked if the committee had met since the August extension for the 2 areas of realignment, he said no. He said the committee was waiting until February when the reports from 2 targeted areas were due. Huh? No phone calls each month to check on how they were coming along with their reports? February arrives and no reports arrive. The Regional Trustee for 2 of the involved divisions is sitting at the table and has nothing to say. Maybe there is some backroom politics that prevented him from speaking up, but I can tell you sure, if I was the trustee at that table, I would have insured that my divisions would have had their reports in on time with plan to grow the divisions and strengthen the membership. Poor leadership on both parts. Yes, I know we are a volunteer organization, but even in a volunteer organization, if someone assumes responsibility for something, they need to do the job. No excuses. Don't wait for callbacks! If you sense there might be a problem and that they are offering excuses, make an in person visit. And speaking about realignment, if it is such a touchy subject, why do we even consider it as a solution? If cultural clashes and mileage/distance are problems that might be insurmountable, then let's forget about realignment and spend that same effort on keeping members and getting new members. I am the membership chair of my club and I am planning on adding 20 members to our current 41 members. Most clubs in the District have reactive attitudes about membership. You need membership chairs who are proactive. New members are not just people you know. They can people you don't know. I looked at my club's membership makeup. How many retired? How many still working? Those who are still working, what are their professions? Those that are retired, what was their profession? I then determined which professions were missing from the working members and matched them up with professions of retired members. Where there was no match, I was able to determine that the club needed a doctor, lawyer, accountant etc. I then asked the retired members if they still had any contacts in their old companies. I asked them if they would take me to meet the manager. If they did not have any more contacts, I added their profession to the list of needed professions. I then went through the yellow pages, internet and local magazines looking for names of at least 5 companies of that particular profession. I then made 3X5 cards with name and contact info for the company. Then I started to assign cards to my committee members to call and get the name of the person in charge of community affairs etc. Then we would mail out a trifold brochure we created that talks about who Kiwanis is and who we are and what we do. Then follow up with a phone to ask if we can come and talk to them about Kiwanis and club. We are just starting that program. The program that we have been most successful with so far. is one where I send the same trifold plus a letter inviting them to come and have breakfast with us, to every speaker we have. So far, we have inducted 4 new members and I have 4 more at various stages of becoming members as a result of this program. Proactive!!!!!!!!!!!!!! If you have read this far, congratulations. You are serious about your job. Thank you.</p>	3/6/2017 2:46 PM
12	If the general session space was large enough, how about putting the exhibit area within.	3/6/2017 11:40 AM
13	Great job by everyone involved. Really enjoyed it!	3/6/2017 10:18 AM
14	Putting the exhibitors in the large room was an improvement over last year i the crowded area on Queen Mary last year. However it was a MAJOR FAILURE due to the fact that barely anyone knew where they were. In future I'd suggest moving yhe the registration table into that same room. People will find the registration, then also visit our vendors and exhibitors.	3/6/2017 9:50 AM
15	All the seminars were about the club and running the club or gaining membership. More time needs to be spent on "service" since we are a service organization. The exhibit hall was way too large and not immediately found -- not a lot of attendees. Consider a networking area (rooms for resting) where people can either rest a bit or meet up with new/old friends.	3/6/2017 8:50 AM
16	Many comments were made about the lack of coffee breakfast options. Either increase the amount of registration or at least have it available to buy.	3/6/2017 8:32 AM
17	be more positive	3/5/2017 7:50 PM
18	Details in advance about how to access the onsite parking. I accidentally drove right to the proper entrance. The driveway I as headed for would have been the wrong one.	3/5/2017 7:32 PM
19	The exhibit hall was not conducive to members socialization. Most members hung out in the main hall foyer rather than the exhibit hall which had no seating or table space. Therefore most exhibitors had no one to talk to most of the time.	3/5/2017 6:03 PM
20	Make exhibit hall more inviting. This one looked like an aircraft hanger.	3/5/2017 5:51 PM

How are Presidents supposed to get this critically important step done well if they have no opportunity to learn about it?	3/5/2017 5:44 PM
22	District confirmed we were receiving our Patriotic Banner Patch. At closing ceremonies we were not awarded or recognized on an award my club earned.	3/5/2017 5:05 PM
23	I think the conference was good but the building was really COLD I know this is hard to do but I ended up sick and some of my older club members did too	3/5/2017 4:54 PM
24	more meanful seminar/education, open discuss	3/5/2017 3:51 PM
25	Thank you to all those who put their time and energy into producing an informative and pleasant conference.	3/5/2017 3:48 PM
26	No way to get coffee other than leave the conference area (Starbucks closed in Marriott Hotel so had to walk 3 blocks to get coffee)	3/5/2017 3:31 PM
27	I felt that the presentations left individuals lost at times with no supporting documentation or live examples. For example talking about Social Media, but trying to do this from a static page versus showing people how to use these tools online was a big miss.	3/5/2017 2:43 PM
28	overall very good...would attend again...need refreshments close by and available...	3/5/2017 2:26 PM
29	I did not feel that the class on estate planning was beneficial..it seemed to be more of a sales presentation. Would enjoy hearing a speaker give guidelines for individuals to take for future preparation but not one promoting his own service.	3/5/2017 1:59 PM
30	Riverside Convention Center was an excellent venue.	3/5/2017 11:42 AM
31	More examples of what is working	3/5/2017 11:19 AM
32	The exhibit area looked bleak and empty. I would have used the front part only and left the back empty in order to put the exhibits closer together.	3/5/2017 10:10 AM
33	Need more time break between seminars. There are always questions to go over with the speakers but there is little time of comrade with the other club kiwanians to go over ideas. Always have to run. Another thing is unfortunately we can't afford the dinners fees maybe can make it affordable for the lower income Kiwanians. I know that facilities rental and food costs but somehow someway you can get more attendance, doing a different method, locale in the host city.	3/5/2017 9:58 AM
34	As I indicated above. We brought a new member to the conference. There were NO seminars to teach m=newer members about Kiwanis!	3/5/2017 9:16 AM
35	Again, to me, more specifics on how to, in the computer age would have been better.	3/5/2017 9:13 AM

1	The foundation dinner was not as much fun as I thought it would be. The food was horrible.	3/13/2017 2:34 PM
2	I was disappointed on the few numbers that attended the closing session. There should be a way to track more people to stay. Maybe a prize drawing and you must be in attendance????????? Just a thought	3/12/2017 8:05 PM
3	The blank time between the closing session and the dinner somewhat discourages staying for the dinner unless you have obligations to be there	3/12/2017 2:28 PM
4	One of the best lunch meals I have ever received at any function, Kiwanis or otherwise. Kudos to the chef and servers.	3/8/2017 7:31 AM
5	meals should be included in price with choices of food.	3/6/2017 7:34 PM
6	There was no energy in the closing get session. I left feeling like I needed a drink and therapy	3/6/2017 5:43 PM
7	Inter-Club luncheon service was very good although a couple of folks at my table would likely disagree - they were not exactly served in a timely manner.	3/6/2017 3:12 PM
8	I did not like the fact that the song leader, pledge person and invocator were not all on stage together. We had to wait for each one to come up on stage. Not efficient. That happened with other things as well. Let's get them on stage at the same time.	3/6/2017 2:49 PM
9	The meatloaf was not a good choice for lunch	3/6/2017 1:27 PM
10	Having the amount of chicken and beef was to much. It would have been less overwhelming if it was one or the other. However, it was very good.	3/6/2017 1:16 PM
11	Would have preferred a different menu for lunch, such as a salad with chicken or shrimp. Meatloaf was heavy for lunch.	3/6/2017 12:43 PM
12	The Kids Bash was a fun, change of pace event.	3/6/2017 12:26 PM
13	The closing session comes at the end of a long day, maybe something that would encourage more to attend such as drawing for a meal at the district convention or some such carrot.	3/6/2017 11:43 AM
14	Needed more seats at lunch. I had to search hard for a seat	3/6/2017 11:33 AM
15	The Rose Float breakfast ran overtime and left little time for raffle and happy/sad at the end. The presentation should have been much tighter and not the disjointed, unorganized thing we witnessed. There should be order forms available at every table for the Holiday ornaments, Rose Float sponsorship information and order forms for the Rose Float medallion.	3/6/2017 10:01 AM
16	Loved the meatloaf	3/6/2017 8:20 AM
17	use District convention for awards	3/5/2017 7:51 PM
18	Vegetarian meal requests were ignored, and the wrong tickets issued. No other choice besides red-pepper-spiced meatloaf either. MEATLOAF, really? At least not chicken, LOL. Dewey was great as the speaker. What a treasure.	3/5/2017 5:49 PM
19	It was nice to have something other than chicken	3/5/2017 5:23 PM
20	Not receiving an award we earned gave me negative feelings. Not sure if I will be back for another Mid-Winter Conference.	3/5/2017 5:08 PM
21	Acoustics in the General Sessions were terrible, leaving us unable to hear the speakers most of the time. Please eliminate repetitive Flag Salutes and Patriotic Songs. Just once at the Opening is quite sufficient.	3/5/2017 4:02 PM
22	Majority of delegates do not attend the closing ceremonies	3/5/2017 3:05 PM
23	Dewey Smith was very entertaining.	3/5/2017 2:46 PM
24	The closing session was not worth staying for, and it showed by so few people having stayed.	3/5/2017 2:29 PM
25	Hard to hear and a little too long of lunch time.	3/5/2017 2:28 PM

2017 Mid Year Conference South - Riverside, CA

26	The meal was a spicy meatloaf. Not everyone likes spicy peppers in their meals. While I know that people want their food with some taste, maybe have an option for people that don't like spicy foods.	3/5/2017 1:04 PM
27	Meat loaf was terribly salty -- rest of the food was excellent. But way too much salt in the meat loaf. Ruined what could have been an excellent meat loaf!	3/5/2017 10:25 AM
28	Sadly very little attendance at Closing session, but this is common, Traffic out of Riverside brutal at that time after session so most of our club left at 3 pm to beat the traffic. Most had 90 miles to go	3/5/2017 10:01 AM
29	I think it would have been beneficial to have the convention center have coffee available to guests in addition to the water and would have loved to have seen more vendors (Kiwanis or otherwise).	3/5/2017 9:28 AM
30	Move the Patriotism Award back to the luncheon. Please remember some people do not stay overnight, and have to drive home in terrible traffic.	3/5/2017 9:18 AM
31	Could be my hearing..... But had a tough time understanding the speakers in the General Session, but had no problem hearing the speaker in the interclub luncheon.	3/5/2017 9:15 AM

2	the ones i attended were very useful and well presented	3/12/2017 2:31 PM
3	I believe the leadership training/Formula/Team Building should have more time especially when the speakers really motivate each and every member is inspired to participate	3/7/2017 4:18 PM
4	Use of media and related tie-ins.	3/6/2017 9:13 PM
5	most of them ran out of time , Karina Sousa	3/6/2017 7:39 PM
6	Karina Sousa is the best presenter I have seen since coming to conventions 4 years ago. She is terrific and her message was great as well.	3/6/2017 2:57 PM
7	One too much One not enough Two OK	3/6/2017 5:52 AM
8	new members and getting younger people involed	3/5/2017 7:55 PM

10	Every one that I attended, except Pete Horton. I just moved along.	3/5/2017 5:53 PM
11	Trina did a great job on the portal but she needed more time. A hands on might have been more productive for some of us.	3/5/2017 5:14 PM
12	I think for some of the sessions they could have been longer and on the other end some of them were not good or needed less time	3/5/2017 4:59 PM

13	Open discussion, materials and personalize the education small groups discussion. What's working for clubs, what's not	3/5/2017 4:01 PM

20	Need more time for Q & A,	3/5/2017 10:05 AM
21	Really depends on the topic and the skill level the audience has in said topic. I heard a lot of people expressing frustration over not learning HOW to use social media. Seminar was more on how to APPLY it to Kiwanis to generate interest (which I thought was great) but we need to remember a majority of Kiwanians are much older and maybe not as tech savvy	3/5/2017 9:32 AM
22	As stated earlier, The presentations were like taking a drink out of an open fire hydrant... More specifics on less would be better. In the Adapting Kiwanis to Busy lives, the speaker was great --- but I would have liked to really learn how to use Sign up Genius, Mailchimp and Buffer App as in one slide.	3/5/2017 9:25 AM
23	went to the social media seminar. She told us we would be able to use Facebook after her seminar. I think I knew more before the seminar than I did afterwards. The pictures on the screen did not relate to the subject.	3/5/2017 9:24 AM

1	SGD was same as 15 years ago. Gave a precise formula with no room for local changes. No helpful ideas other than their formula. My club hates it.	3/22/2017 9:16 PM
2	The Leadership Skills session was interesting, but wasn't really about leadership skills. The Social Media course was good, but way over the head of those as the early stages and not enough concrete examples - maybe too broad to be useful to some	3/17/2017 1:19 PM

9	Social Media Marketing description was "Learn the basics..." but Mariko did not start with the realization that in general we are not tech-savvy millennials. Many of us had never used Facebook, Twitter, Instagram, etc. and it is not within my club's membership base (avg age is 77 and the median age is 78) to use these tools for communication. I walked out of the seminar on Maximizing Social Network Communications once I realized that her focus was to talk to us about telling our story and showcasing what our club does using the various social networking applications. If we can get someone from our sponsored Key Club to build and maintain one of these applications, it might be useful to get the word out to potential new members within the community.	3/6/2017 3:34 PM
10	I would suggest much more interactive sessions - leaving space for brainstorming, group work, etc. Too much "lecture" vs. group learning	3/6/2017 1:28 PM
11	The seminar maximizing social networks assumed we had more computer knowledge than most of us did. There were comments to the speaker that they were not understanding the presentation. I, for one, was lost.	3/6/2017 12:49 PM
12	I had an exhibit and was not able to get into seminars except where I participated.	3/6/2017 11:49 AM
13	Gary Jander's presentation had no useful information or suggestions. I walked out early of his self-aggrandizing speech.	3/6/2017 11:45 AM
14	Really enjoyed all three of the seminars that I attended.	3/6/2017 10:23 AM
15	The Social Media session needed to have visuals of her subjects to demonstrate. The concepts were too abstract and many could not grasp what she was explaining. There was a lot of confusion and many of the audience were dismayed and left.	3/6/2017 9:19 AM
16	The governor was rude and would not entice me as a current, past, and future club officer to serve in any district capacity with him as the leader.	3/6/2017 8:38 AM
17	I was interested In the SLP but was locked out. I put N/A on the ones I walked out. A lot of the workshops are same-0; Same-O	3/5/2017 5:14 PM
18	One would expect the SLP track to actually cover SLP. Where were the Administrators? Were they invited?	3/5/2017 5:07 PM
19	Trina's presentation needed a microphone and larger screen	3/5/2017 4:17 PM
20	Social Media with Mariko & Shirley was disappointing due to lack of WiFi ability to demonstrate the subject matter on screen.	3/5/2017 4:02 PM
21	The Lt. Governor Elect training could have been shortened to two hours to allow these individuals an opportunity to attend other seminars.	3/5/2017 2:52 PM

2017 Mid Year Conference South - Riverside, CA

22	I did not see any value with the Estate planning seminar and it seemed more of a sales pitch. Would have been nice to get general information of what people should be doing to prepare for later years.	3/5/2017 2:17 PM
23	I attended parts of some seminars so I could attend more subjects.	3/5/2017 1:15 PM
24	I went to the navigating through KiwanisOne thinking it was for an overview of how to use the website, not realizing that it was for club secretaries and other board members. I was bored with the session.	3/5/2017 1:08 PM
25	Have resentatipn collect root to talks	3/5/2017 11:28 AM
26	The computer portion was all over the place. I have more questions than answers. Not organized. Mother was distracting. This was to be s session not a comedy act.	3/5/2017 11:04 AM
27	Marketing should have had onscreen presentation. Busy Lives was very good, but did not focus on busy lives; however, good presentation.	3/5/2017 10:10 AM
28	I was subbing in for Lt. Gov elect training that took most of day so could not attend other seminars. But the Lt. Gov elect training should be made public because it was amazing. Too bad it is kept a secret.	3/5/2017 10:05 AM
29	The social media marketing session presenters were not a good match for the audience. Need more basic and hands-on.	3/5/2017 9:41 AM
30	unfortunately I had to leave early, the two seminars I attended were very well done	3/5/2017 9:32 AM
31	It appears that Incoming Governor Joni Ackerman will have a very successful year, as she ran a great 3 hour seminar for incoming Lt Governors. The topics were educational and kept your attention.	3/5/2017 9:24 AM
32	The 'estate planning strategies' with Anthony Butera was completely inappropriate for this and any future Kiwanis conference. While Mr. Butera seems to be a nice person, his 'presentation' was a poorly disguised sales pitch for the purchase of an annuity from him. I acknowledge that he stated that annuities are not appropriate for all investors, but if that is all he has to say, he should be required to purchase space as a vendor and make it clear that he is advertising, and not pretend to be providing information as though he had no interest in the subject matter of his presentation.	3/5/2017 9:16 AM

2017 Mid Year Conference South - Riverside, CA

32	Need more affiliates. Again if Presidents from all clubs attend as mandatory or recommended mandatory maybe the affiliates will get some business	3/5/2017 10:07 AM
33	I understand that Kiwanis has its own store but partner vendors would be useful. This could be anything from Awards to play ground equipment to flags to fundraising opportunities.	3/5/2017 9:43 AM
34	I would love to see some of the Kiwanis Partners there - I think it helps to motivate the members attending to share the information when they return to their clubs. Maybe a booth specialized for new Kiwanis members (a good way to quickly educate about all the programs Kiwanis has)	3/5/2017 9:37 AM
35	Need more exhibit booths, maybe move the sales of the shirts and other items out of the hallway, into the same area as the exhibit booths, giving the exhibitors a better chance to "hawk" their wares.	3/5/2017 9:26 AM

1	I never had a chance to get there and wasn't even really sure where they were. I wanted to go, but didn't have time to do that and attend seminars.	3/17/2017 1:20 PM
2	The booths were hidden and difficult to find. There were no signs showing where the booths were. The room was too large for the number of vendors which were 95% all Kiwanis related booths. Only one outside vendor was present. Some of the Kiwanis related booths were vacant and unmanned for long periods of time. In Reno there was a program to use stamps at the booths to get people to find and visit the booths. After visiting the all of the booths and getting their stamps, the form was entered into a drawing for a free convention registration. This idea was extremely successful and was appreciated by the booth participants. This should be used at all Kiwanis conventions and conferences	3/16/2017 4:18 PM
3	Location was bad	3/11/2017 2:16 PM
4	Location was hard.. didn't come across it until the afternoon	3/7/2017 8:41 PM
5	not enough participation, the exhibit hall was empty. Waste of time, space and funds	3/7/2017 11:43 AM
6	Loved having the silent auction in the great Hall. We should invite all clubs attending to donate something that represents their club/town. Raise more money and have more options	3/6/2017 5:55 PM
7	I made a very quick walk-through the room with the booths. I did not find any that drew me in and many seemed to be convenient sites for members of that particular booth to gather.	3/6/2017 3:37 PM
8	Vendors and exhibits seemed awfully light. Big, open, fairly bare room. Kind of embarrassing.	3/6/2017 3:24 PM
9	When the room is so big with so much room in the middle, they should have put some tables and chairs there. The room looked so big, I wasn't sure I could make it to the back of the hall without a camel.	3/6/2017 2:59 PM
10	Unfortunately, the exhibit hall was too huge for our exhibits. Registration could have been set up in the hall with exhibits to draw people in.	3/6/2017 2:12 PM
11	To have had some marketing that would draw the attendees to the exhibit hall. I'll come up with an idea to get more to visit, i.e., an opportunity drawing for a give away item.	3/6/2017 11:56 AM
12	I spoke with all of the SLP Booth Leaders and it was great.	3/6/2017 10:24 AM
13	Location SUCKED!! No one visits if they don't know where the exhibits are located. We had a great big room.it could have been utilized much better	3/6/2017 10:09 AM
14	too much room -- the place looked like a ghost town	3/6/2017 8:55 AM
15	Too much room for the few exhibitors there. Would have been better if they were down the main hall where everyone congregated.	3/6/2017 8:54 AM
16	Did not see the booths until too late. Hidden in a room.	3/6/2017 8:39 AM
17	Seemed that there were less booths than usual	3/6/2017 5:53 AM
18	Definitely not enough vendors.	3/5/2017 9:49 PM
19	Room too large for number of booths. Bad location in unidentified room	3/5/2017 8:35 PM
20	Better signs to direct attendees to location. Got there early and half the booths were unmanned.	3/5/2017 7:37 PM
21	Room to large and no tables or seating for Kiwanians to socialize.	3/5/2017 6:21 PM
22	Make the room more compact and inviting.	3/5/2017 5:55 PM
23	A golf putting contest at Mid Winter would be awesome. Charge \$5 for each round. Keep scores posted and award a certificate to winner at closing ceremonies.	3/5/2017 5:17 PM

2017 Mid Year Conference South - Riverside, CA

24	The exhibit booths were tucked away from the main steam of traffic in a huge room. Very few visitors.	3/5/2017 5:10 PM
25	Room way to big. booths needed to be closer together It felt disconnected, I felt this way other attendees and also the people who had booths felt this way	3/5/2017 5:00 PM
26	No sign, too much space	3/5/2017 4:14 PM
27	make exhibit area where more members can network , be entertained, and update with KI and districts goals	3/5/2017 4:03 PM
28	I put No, but they were probably fine. I'm sure they would be better when with a newer member.	3/5/2017 3:00 PM
29	Our SLP groups are amazing and always good to see as exhibitors.	3/5/2017 2:55 PM
30	Does anyone really Buy anything from the vendor(s)?	3/5/2017 2:36 PM
31	need food in there so more people would go through, offer a prize for those individuals that stop by each exhibit...it could have been better...too big a room for too few of exhibitors.	3/5/2017 2:32 PM
32	Have booths that clubs can make money and have it so that 50 percent goes to the club and other 50percent to the diatrict	3/5/2017 12:49 PM
33	Really large room containing only a few booths. Kind of sad.	3/5/2017 11:49 AM
34	Booths were hard to find. Maybe placing in hallway would generate more traffic? At very least, need more signage.	3/5/2017 10:57 AM
35	Didn't even find the Exhibit booths until after lunch. And there was virtually nothing there... Walked in, and promptly walked out. Nothing happening...	3/5/2017 10:30 AM
36	The exhibit hall needs to be placed in such a way that the attendees will walk into it. There was virtually no activity in the exhibit hall.	3/5/2017 10:19 AM
37	I think this area needs a professional planner. Give them a commission to sell spots. Woefully empty	3/5/2017 10:14 AM
38	Have coffee/continental breakfast available. Preferably included with conference fee, but at least for sale.	3/5/2017 10:10 AM
39	Reduce the size of exhibit hall by half space and that may bring more business for the affiliates and kiwanis booths	3/5/2017 10:07 AM
40	Because it was in such a large room and so spread out it wasn't really "inviting". I would suggest basing your set up on the number of booths you have. If it doesn't fill the room set it up so it's more intimate. Just a thought.	3/5/2017 9:37 AM
