11	Formula refresher would have been helpful, but I will get that at CLE or DCON.	5/21/2017 6:18 PM
12	More time on Division finances.	5/21/2017 5:40 PM
13	More info on budgets.	5/21/2017 4:23 PM

15	Lots of subjects covered but focus missing on the hands-on tasks and responsibilities of the Lt. Gov 's office.	5/21/2017 2:39 PM

5	Breakfasts at hotel were mediocre.	5/21/2017 2:39 PM

Q7 Please give us your thoughts as to how we can improve the Lt. Governor training for next year.

1	So much has to be covered in only 3 days.....I would say one day more, but then again I couldn't even stay until Sunday morning!! Thanks for all you do....Kate Blicke (7)	5/31/2017 4:11 PM
2	I feel that more time should be spent on financial reports and physically filling them out as examples to the Lt. Governors. To pop them up on a screen that can't be read or seen from the back of the room just didn't cut it. Also, it helps to have someone that can talk from a lay men's position and not a CPA telling you that it is easy.	5/22/2017 4:09 PM
3	Some of the trainers need to put into practice what Siemens was teaching us.	5/22/2017 3:44 PM
4	Afternoon of 1st day needed more visuals	5/22/2017 12:35 PM
5	Hard to improve - and I'm critical. Extremely well organized. Very intensive and comprehensive! You definitely did NOT waste my time! Thanks to all at District Headquarters for this very successful, exhausting event!	5/22/2017 12:04 PM
6	The Trainers were excellent and the best part about the weekend. There seem to be a lot of hotel options nearby, wish we could have stayed at one a little bit newer. I wish we were given a more detailed agenda either before or during the training so we know what material to bring to which sessions. Also all the powerpoints and materials were really nice, which we were given the ones used daily at the end of the day so we can review them right away rather than wait until the end of the weekend. Overall, great weekend and great training!!	5/22/2017 12:03 PM
7	Design a system where lecture material is ALWAYS accompanied by handouts	5/22/2017 11:27 AM
8	Can't answer for improvements yet, as it seemed to be pretty complete. Was enjoyable, and very informative.	5/22/2017 7:54 AM
9	More of Steve	5/22/2017 4:45 AM
10	More tome for LtG budget preparation.	5/21/2017 11:56 PM
11	At times, I was not sure what to write down vs what was written out in our binder; so much information that was presented in such an almost rapid-fire way. Glad that I will be able to really read the binder information and be able to go to the website to go over. Over all, thank you and thank you even more to everyone involved- you helped me be much better prepared for my upcoming administrative year	5/21/2017 7:34 PM
12	Last part of Saturday session was a little boring. Steve Siemens is always inspirational and we are lucky to have him	5/21/2017 6:51 PM
13	End the sessions at 4:00pm. It was very difficult to stay focused between 4:00 and 5:00.	5/21/2017 6:48 PM
14	The rooms would be better maintained	5/21/2017 6:18 PM
15	I think there should have been more 10 breaks to get up to stretch and get a drink. Several times during the weekend we would have benefitted from a short break to clear out minds. Overall the training weekend was great!	5/21/2017 4:23 PM
16	Very good training, Excellent speaker (Steve) and great to see a rep from KI attend (Brian) with his overall knowledge.	5/21/2017 3:33 PM
17	Much better than MidYear. New content. Some new presenters.	5/21/2017 3:16 PM
18	Shorten it. Does not need to be three days long. Focus more on Lt. Gov responsibilities of club visiting, finances, messages. Remember Lt Gobs are former Club presidents so they know about the organization.	5/21/2017 2:39 PM
