(subject) KIWANIS, 2017 convention team

Greetings to all committee chairpersons;

I hope that each of you had a nice Memorial Day long weekend. The weather was super nice.

The next meeting of the convention committee is on Thursday, June 15, 2017 at 6:30 PM at the Nugget Hotel. Governor Pete Edwards will be at this meeting. The decorations committee has promised to have a center piece for everyone to see at this meeting.

Our largest project at this time is getting volunteers signed up, and assigned to a specific task. Even if your committee does not need help, or if you have filled your committee's needs, please keep signing up additional workers. We need 80 to 90 workers. Every Kiwanian should be able to work one or two short shifts. Be certain to advise Volunteer Chairman Dan Bouzek of the name and cell phone number of everyone who is signed up to help out.

At this June meeting there will be a drawing for a cowboy hat. We will have a telephone at the meeting so that you can listen in and/or participate in the meeting.. The call in number will be sent to you on another e-mail.

The agenda will be sent to you on another e-mail. If you have questions or problems please call me at 775-359-3709. Thank you for your good work.

Stu Anderson  
General Chairman
