Dear CNH District leaders,

As of today, we have 92 clubs that have delegates with forms in to represent their clubs.

To have a valid election and house of delegates we need 1/3 of our 445 clubs represented to have a quorum. That would mean 149 clubs would need to be represented. That means we need 57 more clubs with a Delegate representing them.

A past Lt. Governor can represent another club in their home division. If you are a past Lt. Governor and you already have a delegate for your home club, consider representing another club in your home division that is not yet represented.

It would be sad if we do not have a quorum to conduct the business of the District this year.

(We will accept delegate forms electronically to convention@cnhkiwanis.org or via fax at 909-989-7779 until Monday, July 31 at noon, otherwise forms may be completed/submitted on-site.)

Respectfully!

Mark W. McDonald
Executive Director
