Q3 What could have been done to make your conference experience better?

Answered: 126 Skipped: 9

#	RESPONSES	DATE
1	Starting time too early, i.e., breakfast.	9/1/2017 12:32 PM
2	I have an idea for social media 'training'. Instead of or in addition to a classroom type session, have several booths set up and let people sign up for a 20 minute 1:1 working session with someone versed in the subject (like one of the Key Club or younger members) to get specific answers addressed - whether starting from scratch or fixing an issue. The all-morning or all-afternoon symposium type sessions were good, but they were sort of sub-divided and it would have been nice to know what sub-topic was set for each section in order to better compare with some of the short sessions for planning.	8/19/2017 1:05 PM
3	Tell the Sergeant-at Arms to be willing to recognize that a human standing right next to him for ten minutes just might have a question and to stop ignoring that person.	8/18/2017 5:38 PM
4	Elevators sucked...with only two in service at times in the West tower. Food service could have been better times with events such as Interclub lunch. Agenda for Installation Dinner was a little too brief, all business (no fun) and didn't seem rehearsed. During Delegates session I was distracted by delegates exiting through the non-delegate session instead of through designated doors.	8/18/2017 3:54 PM
5	more vendors	8/17/2017 12:36 PM
6	More guest speakers & workshops on service projects & fund raiser success & what works & does not work.	8/16/2017 5:03 PM
7	Wayfinding at hotel was inadequate, and available elevator service even worse. Had to resort to service elevators more than once to avoid very long lines.	8/16/2017 3:00 PM
8	I would have liked to hear more from Circle K members, they are the new face of the upcoming leadership and I feel their perspective and information is undervalued.	8/16/2017 2:17 PM
9	interclub luncheon was horrible please send me a refund	8/16/2017 1:15 PM
10	Not much, other than a shuttle from the Amtrack station.	8/16/2017 12:16 AM
11	The Opening session seemed slightly half baked. It needed some words of excitement and motivation.	8/15/2017 8:36 PM
12	Maybe more tracks on subject matters and possibly offer morning times and afternoon.	8/15/2017 7:43 PM
13	have the newbies meeting more than once since we could not make it first day	8/15/2017 11:46 AM
14	Foundation room was too far away from all other booths. Foundation grant displays were lost from viewing.	8/14/2017 3:21 PM
15	Instructions and orientation for new convention attendees were inadequate and incomplete. The whole thing was geared to people who attend each year and totally know the drill.	8/14/2017 12:41 PM
16	I don't know.	8/14/2017 11:54 AM
17	OK as was.	8/13/2017 8:59 PM
18	This was a good convention; thanks for not drawing the closing session out. Kiwanis love-fest not necessary!	8/12/2017 4:28 PM
19	Had more information at registration like a overview or program	8/12/2017 6:49 AM
20	More seminar choices	8/11/2017 6:56 PM
21	More time in between seminar	8/11/2017 6:27 PM
22	Better organized	8/11/2017 6:26 AM
23	I think we need to spice up the opening session. Make it so everyone gets excited about the conference.	8/11/2017 1:08 AM

24	Can you find different speakers, the same speakers promote the same ideas. Need a different aspect on same topics	8/10/2017 7:11 PM
25	Now I know what to do & not do so I plan to go to Sacramento in February.	8/10/2017 5:48 PM
26	Listed above.	8/10/2017 5:45 PM
27	more time	8/10/2017 4:13 PM
28	It was no fault of the conference committee, it was a hotel flaw. The elevators were so slow that it took over an hour at times in the evening after the conference classes and evening sessions ended to get up to your room. That was so very frustrating! Couldn't get up to the Foundation Wine Tasting in Gov. Pete's room due to the elevator situation. Got there, but we were extremely late.	8/10/2017 3:59 PM
29	Remember to myself to pack one long sleeves shirt.	8/10/2017 12:41 PM
30	Make the opening and closing session more lively by giving more time to entertainers as Kiwanians enter the venue.	8/10/2017 12:09 PM
31	Have the QR code posted at the check in counter and encourage folks to use it. Having it flash on the screen in the general sessions and the meals moved too fast. Needed to be able to see at a quick glance who was speaking at specific times in the tracks. I missed some speakers that I had wanted to see because I couldnt tell when to be there!	8/10/2017 9:16 AM
32	I think we should have more young people under 45 more present and on the stage. As a young Kiwanis member, I continue to express my opinions about our growth and why I care about this organization as much as I do. Yet, I have asked to get involved in differnt things, and have found it so difficult to get a true answer or connected with certain individuals. Specifially, I had asked repeatedly, to get involvd with the CNH Kiwanis Facebook, as it has sat in active for a long time. As a young person, I have wanted to work on the publicity of this district. I was told that I couldnt be made an admin to help assist with the distirct publicity, though I help start the CNH Kiwanis Convention Facebook page which has grown over the last few years since Sacramento and has allowed us to stream live at conventions and has allowed us to connect throughout. Kiwanis goal is to build leaders through our SLP's. Once those SLP members get into our organization, we seem to "lessen their voice", from my expirience. Kiwanis has become very much a "clique". I've been in this organization (Kiwanis Family) for 21 years. I have served in many leadership positions in Key Club, Circle K and Kiwanis. Life gets busier and busier. Yet, I feel that my views and ideas are not heard in this organization that I have been involved in, longer than most Kiwanians currently. I think we should be focusing more on the members who are part of the targeted group of individuals that we are trying to get to join our organization. Suggested by Ryan Digman (Greater Sacramento Kiwanis)	8/9/2017 8:59 PM
33	Not much, could had more accurate signage/communication for seminar room locations	8/9/2017 7:55 PM
34	Overall experience was fantastic. This was my first time attending and I was very happy.	8/9/2017 4:04 PM
35	Possibly having some coffee available.	8/9/2017 3:26 PM
36	I personally don't like casinos with the smoking and noise. And all our rooms seemed to be on the opposite side of all the sessions, meals etc. The meeting rooms always seem cold - but it's like that everywhere we've had conventions.	8/9/2017 1:46 PM
37	The only thing that I can think of is when things on stage aren't perfect, the speakers need to not be so negative and roll with it in a positive way. Kiwanians are flexible, laugh it off. I know that is hard to control.	8/9/2017 12:42 PM
38	start seminars a little later	8/9/2017 9:06 AM
39	we need to get the little book back when we register for the convention. I usually take my notes in that book which had a few pages for me to take notes.	8/8/2017 9:25 PM
40	Social Media presentation claimed to be "basic" but did not explain basics in a way that was meaningful to the audience. Many left part way through the presentation disappointed.	8/8/2017 3:42 PM
41	I would like to have been able to submit an amendment to the amendment that was on on the floor, but was ill prepared for it's delivery to the delegates.	8/8/2017 3:12 PM
42	Have elevator that that can handle the crowd a hour wait to get on an elevator is not good.	8/8/2017 3:07 PM
43	You did such a good conference I cannot think of one thing to improve it.	8/8/2017 2:48 PM
44	n/a	8/8/2017 1:19 PM
45	Would like a rep from Portalbuzz to do some training.	8/8/2017 11:44 AM
46	Update of CNH goals set last year including first lady's project	8/8/2017 11:36 AM

47	Better communication about what was happening during general sessions.	8/8/2017 10:50 AM
48	List of seminars with room numbers	8/8/2017 9:47 AM
49	Video all of the classes so that I could still view those I could not attend.	8/8/2017 8:13 AM
50	More variety in food	8/7/2017 10:52 PM
51	It would have been a better experience if there were brief descriptions of seminars in the program instead of only a schedule behind our name card.	8/7/2017 10:18 PM
52	starting on time in all areas	8/7/2017 9:34 PM
53	It would be nice to have a service project that we can all participate in.	8/7/2017 9:15 PM
54	More chicken dinners. j/k	8/7/2017 7:43 PM
55	I thought it was well planned and the sessions were very good and informative.	8/7/2017 7:40 PM
56	Nothing	8/7/2017 7:17 PM
57	More round table discussion on club's program/service project successes.	8/7/2017 5:09 PM
58	The Social Media session might have been better served to focus on one platform since most everyone was new and in the end it was recommended that Facebook was a more realistic platform to use for what we are doing and for those that are new to social media.	8/7/2017 4:52 PM
59	It seemed to lack the organization and personal touches it had before. I would have like to have had a printed program if the convention app was not publicized well. A QLR code could have simply been posted at registration for us to scan to get it. I choose to attend workshops by who is speaking so without the name or photo shown interest wasn't generated enough for me to make good choices.	8/7/2017 4:23 PM
60	Have hotel turn up heat in conference rooms. Have a representative from Portalbuzz thee to help those that need to change.	8/7/2017 4:13 PM
61	Have more members present.	8/7/2017 3:57 PM
62	A printed program with a brief description of the workshops	8/7/2017 3:41 PM
63	Pretty good but maybe a little time with legal. Have liability questions	8/7/2017 3:33 PM
64	Wish the district would have send out a description of the classes ahead of time. Told us what to expect.	8/7/2017 3:30 PM
65	Audio-visual was hit or miss. Some seminars were struggling with sound and visual issues.	8/7/2017 3:00 PM
66	Very well thought out and planned.	8/7/2017 2:28 PM
67	I wanted to help with the voting during the House of Delegates. But the meeting to sign up was held on Sat at 9:30a and I was attending a workshop at that time.	8/7/2017 1:35 PM
68	I don't have any, it was the best conference ever.	8/7/2017 1:25 PM
69	1)award presentations to be combined to be shortened. 2).We are preaching to the choir. This would allow more outside speakers.	8/7/2017 12:54 PM
70	Warm the place up. I know some people got so cold they couldn't concentrate, and even after getting coats took a while to warm up.	8/7/2017 12:43 PM
71	My intended goal was to learn more about my upcoming year as secretary/treasurer in my local club. Perhaps more relaxed roundtable type discussions could be provided instead of the traditional teaching techniques used.	8/7/2017 12:32 PM
72	The secretary training was AWFUL. they were not on task and it appeared as though the presenter was not in control because another individual continually took over to answer questions that were not relevant to the contextual information she was presenting.	8/7/2017 12:29 PM
73	Nothing	8/7/2017 11:55 AM
74	Elevators working all the time	8/7/2017 11:05 AM
75	Better organization of awards presentation and introduction of Lt Gov & Trustees(have them back stage or seated in front).	8/7/2017 10:51 AM

76	In my particular case, as the chair for the Kiwanis Children's Fund being part of a fast track seminar would increase the number of Kiwanis members present to receive the information. Two, depending on the time available be able to make a five minute presentation to incoming presidents and lieutenant governors for 2017-18 when the governor has the block of time reserved for them.	8/7/2017 10:42 AM
77	I liked the less powerpoint and more conversations among leads	8/7/2017 10:37 AM
78	Newer speakers. I've been to lots of DCs and Mid-Years and it seems to be much of the same, same old.	8/7/2017 9:27 AM
79	More ideas on fund raising.	8/7/2017 9:19 AM
80	N/A	8/7/2017 9:16 AM
81	Better planning and information.	8/7/2017 9:00 AM
82	Food quality and more importantly food service was very poor at conference dining. The temperature of the main meeting/dining area was very cold and in some spots very uncomfortable to remain in	8/7/2017 8:59 AM
83	Saturday sessions were mostly just repeats of Friday. Have different session of shorter time. The Friday session on service projects was done in the first hour. Have more hands on projects like the crayon and blankets.	8/7/2017 8:46 AM
84	General sessions became too much about thanking everyone, took a lot of time. A little more free time would be helpful	8/7/2017 8:45 AM
85	A seminar for old timers i.e. Those with over 10 years or 40 years in Kiwanis those who have been there and done that	8/7/2017 7:35 AM
86	Turn the AC down! Too cold.	8/7/2017 7:14 AM
87	Seminars should be held on Saturday for people who work because not everyone is retired.	8/7/2017 6:54 AM
88	I should have arrived in Sparks one day earlier and departed one day later.	8/7/2017 4:11 AM
89	I miss the printed Conference program. I like to pre-mark what I wish to attend. I missed a presentation I wanted to go to because I forgot what time it was to be presented.	8/6/2017 11:33 PM
90	Nothing	8/6/2017 10:11 PM
91	I thought this one was very good.	8/6/2017 9:16 PM
92	start meals on time & better food service	8/6/2017 8:36 PM
93	The backstage needs a stage manager. Both last year and this year it was worse. Luncheon was easier because the gentleman was involved. But there were some issues that affected everyone-seems like there was not a script that was consistently followed by everyone or it was altered and new scripts weren't distributed. I was asked to lead interclub luncheon in Patriotic song. I chose a song, confirmed it by email and I noticed as I went on stage that it was changed. Not a problem but was confusing, and I thought I should have been informed.	8/6/2017 8:35 PM
94	It was about perfect	8/6/2017 8:33 PM
95	functioning elevators	8/6/2017 8:29 PM
96	I liked it just as is. The food was great as well.	8/6/2017 8:29 PM
97	having a better election process some type of social activity after hours for non drinkers	8/6/2017 8:29 PM
98	nothing	8/6/2017 8:05 PM
99	Meeting somewhere besides a casino. Too much smoke near restaurants.	8/6/2017 7:49 PM
100	Established set times for the sessions on Saturday.	8/6/2017 7:46 PM
101	Locations that didn't freeze me to death. It is hard to learn when you are so cold.	8/6/2017 7:35 PM
102	1. Have more elevators running. 2. Have more things presented to entire congress rather than at breakfasts or not at all, i.e. In Memoriam (too many Gov's and Lt. Gov's passed away this past year. Two were featured in the pamphlet and all others were lumped into the statement "and others in the District". The fact that Division 33 achieved its 35th consecutive year of 100% club participation with DSA's (done at the Foundation Breakfast). Also, disappointed that nothing was mentioned about Divisions with 100% monthly reports submitted. How many divisions besides Division 33 can claim that? If CRM's are not important, why do we ask for them?	8/6/2017 7:28 PM

103	The entire conference area was too cold. The cost of the seminar is getting out of hand especially if you have a husband and wife going. Our club budgets for it, but, most clubs can't afford this. The card showing in the plastic holder was a good idea. You lift up the card you see times, etc. The only suggestion I have here is that the rooms for the seminar be placed on the other side of the card. When you place any ribbons on the holder, it covered up the rooms where the seminars were held. If you remove the ribbons to see the rooms, you cannot reattach the ribbon because the adhesive does not stick.	8/6/2017 7:08 PM
104	I loved this theme. Would like to have seen more theme type sessions. Maybe a line dancing session. But I love to dance.	8/6/2017 6:47 PM
105	Encourage more booths....good ideas in the fundraisers. Maybe a list of current projects from all clubs? And emails to encourage interclub communication	8/6/2017 6:45 PM
106	It was all I expected	8/6/2017 6:32 PM
107	More hands on computer work. Classes with iPad and phones and computers. They are telling us to do more internet and it would be better to have work shops	8/6/2017 6:20 PM
108	make the ballroom a bit warmer. I understand the room was designed to hold more people than we had there, however, we shouldn't need to wear a sweatshirt in August!	8/6/2017 6:19 PM
109	There were some challenges with elevator - and the sessions could have been better organized.	8/6/2017 6:19 PM
110	I think it went pretty smooth.	8/6/2017 5:57 PM
111	Pre-promotion on International Trustee and counselor to counselor to Cal-Nev-Ha, Terry White's participation. He was fantastic!	8/6/2017 5:57 PM
112	I do not believe I am alone in this, but the convention hall seemed very cold to me most of the time. It is a delicate balance and nearly impossible to please everyone, but it was too cold for me most of the time.	8/6/2017 5:53 PM
113	Signature Projects should have been in exhibitor area	8/6/2017 5:36 PM
114	I thought the conference was great. The only negative I experienced was the poor performance of the elevators on the west tower, which is something the hotel would need to address.	8/6/2017 5:12 PM
115	no smoking in the lobby of the hotel.	8/6/2017 4:48 PM
116	PRINT THE CONVENTION PROGRAM!!!!	8/6/2017 4:36 PM
117	All of the convention area and meeting rooms were extremely cold and uncomfortable. Many attendees complained about this.	8/6/2017 4:36 PM
118	Arrange to have all meeting rooms at the same end of the hall! Make convention app mobile-friendly (couldn't scroll large items.) It was mostly useless on my phone. Make sure the elevators can handle our crowd efficiently and expeditiously. (Also a safety issue.)	8/6/2017 4:34 PM
119	Boy, I think you did an excellent job. I don't have any complaints. The seminars I attended were excellent. The general sessions were short and sweet (thank you!). The meals were OK but would have loved some chicken!!	8/6/2017 4:31 PM
120	The conference was great	8/6/2017 4:18 PM
121	Repeat the key seminars twice. Not able to attend one of the ones I felt I could benefit from was first thing Thursday morning before I could get there.	8/6/2017 3:57 PM
122	Ghhtv	8/6/2017 3:56 PM
123	Bbjgfv	8/6/2017 3:56 PM
124	Fggbcghv bh	8/6/2017 3:53 PM
125	Change up the seminars. Have a better lunch. Lunch wasn't serve until very late and they needed to clear the ballroom to get ready for the house of delegates. The beef was either overcooked or raw.	8/6/2017 3:24 PM
126	Nothing directly. I was not impressed with the facility or service	8/6/2017 3:22 PM

Q5 What suggestions do you have to encourage attendance at the convention by more Kiwanians?

Answered: 121 Skipped: 14

#	RESPONSES	DATE
1	We have to change our membership attitude and instill how important DCON IS. REGISTRATION AND MEALS ARE COSTLY. ENCOURAGEMENT THEIR HOME CLUBS TO BUDGET THEIR DCON COST FOR A MINIMUM OF 2 MEMBERS. SC	9/1/2017 12:40 PM
2	Some creative advertising - maybe include a set of sessions not directly related to club activities - more along the lines of speakers clubs might have - that spouses would be interested in attending (on personal finances, fitness/health, family planning, helping parents, etc. The registration fee was a little high and even with some compensation from the club, it might be hard for people to afford it - especially those on a fixed income.	8/19/2017 1:14 PM
3	Send out an ad for Hawaiian shirts way ahead of a convention.	8/18/2017 5:44 PM
4	I would find interesting interactive group process to share experiences and develop new knowledge--open space, small group breakouts. Explore new ideas, program development, ideas to address common challenges.	8/18/2017 4:03 PM
5	don't know	8/17/2017 12:38 PM
6	Clubs are so small that costs prohibit attendance. Seniors shud get discounts & many on fixed incomes. Meals are exhorbant & prices shud be lower. The meals were well prepared but not enuf h o tel staff servers.	8/16/2017 5:07 PM
7	When informing clubs of the quorum challenge, don't make it a negative, scolding email.	8/16/2017 3:02 PM
8	I would like to see forum workshops. Personally It would peak my interest in returning. Ask for members to suggest topics ahead of time. Create a set of tables/rooms/areas where the topic of conversation is clearly labeled. There is a time for forums that are published. Example; Forums in the Rose Room 8:30-10:30, look for tables with topics labeled. Mark tables with topics as indicated by Kiwanis member feedback. Examples; "Attracting 20 somethings" "Young Professional Club" "Service for access challenged" "Training Key Club officers" etc	8/16/2017 2:26 PM
9	Lower registration and meal charges. Keep it fresh and exciting. New service opportunities. Loved the Crayon Project.	8/16/2017 12:21 AM
10	Offer a price break for more than 2 members of the same club to attend. More perks for first timers? Price break for first timers?	8/15/2017 8:40 PM
11	Lets keep working on the price of these conventions.	8/15/2017 7:45 PM
12	More seminar on Sat and Sunday , instead of Friday, lots of peole work- and do not have at a place that has so many intrusions like LV., not conducive to learning at all - Offer massage and hypnosis for relaxation to people over stressed! Then talk about membership, etc.	8/15/2017 11:48 AM
13	Central locations that are convenient to drive to. Valet parking at the Nugget was a big plus.	8/14/2017 3:26 PM
14	Target different conference opportunities to different Kiwanis experiences: New Kiwanians should get to be exposed to Service opportunities, YLP basics, etc. Experienced Kiwanians should get quality training on leadership and club operations.	8/14/2017 1:04 PM
15	Attend conventions because you will learn a lot that you can take back to your club.	8/14/2017 12:02 PM
16	Reno/Sparks, NV is a good, fun, location. Hawaii will also be; however, it will be more expensive. This has to be kept in mind, but hopefully the Once-in-a-lifetime opportunity will draw a good response. Pre-convention and post-convention tour opportunities might help draw more people.	8/13/2017 9:08 PM
17	The biggest complaint I heard were the break out sessions were the same old same old. If you want better attendance we need to come up with new breakout sessions with up to date content.	8/13/2017 2:24 PM
18	It. governors and club presidents need to promote all conventions. Individual clubs must financially send delegates and non-delegates to conventions by calculating expenses in club budget.	8/12/2017 4:35 PM
19	It's too expensive for members on a fixed income, and small clubs without the funds to help. The food is not good for what it cost.	8/11/2017 7:05 PM

20	Charter bus from specific locations in the state	8/11/2017 6:28 PM
21	Locations, price, spewkers	8/11/2017 6:29 AM
22	Be sure to have exciting speakers and education sessions that attract members. They would want to attend the convention.	8/11/2017 1:11 AM
23	Adult portion needs to be more lively, maybe plan a whole afternoon with Circle K for adults who want to attend. To similar to all the other DCONS	8/10/2017 7:29 PM
24	I don't know what else you could have done. Other then a few volunteers and representatives from certain clubs, no one showed up as just a member. Very disappointing.	8/10/2017 5:54 PM
25	It is not cost it is repetitious items and people doing them.	8/10/2017 5:45 PM
26	keep price down	8/10/2017 4:14 PM
27	The cost of the convention keeps members and clubs from attending. They have to pay for the convention, room, and several meals. Our club helped with the reservation and interclub luncheon fees for 9 members...who signed up to volunteer their time in order to get the \$35.00 discounted registration fee. Otherwise, we wouldn't have had but a couple of members attend.	8/10/2017 4:03 PM
28	get more vendors	8/10/2017 1:21 PM
29	Have clubs have certain fundraiser for purpose of paying for member to go to Convention.	8/10/2017 12:43 PM
30	As I mentioned, let's make all sessions,the opening, second and closing session inviting by providing musical programs, good speakers etc. -or anything that would make the attendees feel excited and intrigued of what's next before the proper program starts.	8/10/2017 12:25 PM
31	Why dont we start b y encouraging member to remain members?	8/10/2017 11:40 AM
32	Perhaps sending out several "did you know" types of emails to entice them to attend a certain seminar? Hilight what we are doing differently	8/10/2017 9:19 AM
33	I would like to see a combined Circle K/Kiwanis Convention. I think this would create a great "bridge into Kiwanis". We should be treating those members as equals, as these growing adults are our future when it comes to our membership growth. - Suggsted By Ryan Digman (Greater Sacramento Kiwanis)	8/9/2017 8:59 PM
34	Registration reductions based on number of members attending from each club with the exception of the host clubs, ie, 1-3 members full registration; 4-7; 20% reduction; 8-12; 50%	8/9/2017 8:09 PM
35	Have them at fun places	8/9/2017 3:30 PM
36	New sessions for those who have attended many conventions. Meals could be less expensive.	8/9/2017 2:12 PM
37	Well, the impossible one I suppose, reducing registration fee. Otherwise, having people in each club/division pump it up with why they enjoy going and are willing to spend money because it is so worth it.	8/9/2017 12:46 PM
38	make registration inclusive, at least include two lunches	8/9/2017 9:07 AM
39	most kiwanians want to hear about what is available there as for visitation/convention. I am planning to gather the Kiwanians in our division to help with various areas for the convention	8/8/2017 9:27 PM
40	Keep costs manageable, continue updating material so there is a reason to come	8/8/2017 3:44 PM
41	Three suggestions...Word of mouth, word of mouth, word of mouth!	8/8/2017 3:17 PM
42	More encouragement from club to attend conference, it is so worth it.	8/8/2017 2:50 PM
43	I would love to hear other's suggestions!	8/8/2017 1:21 PM
44	I sat next to secretaries that were in the dark about using Portalbuzz. Having the company come and do some training would be great.	8/8/2017 11:47 AM
45	Have more local attractions that Kiwanians can visit	8/8/2017 11:42 AM
46	Don't charge so much for every meal.	8/8/2017 10:50 AM
47	Shorter	8/8/2017 9:48 AM
48	Maybe a package deal if you register and go to multiple events?	8/7/2017 10:53 PM
49	Provide more social impact on meeting old friends and making new friends from the 46 divisions.	8/7/2017 10:24 PM
50	Cost is always important	8/7/2017 9:37 PM

51	Have an actual service project at the convention and going out meeting the community.	8/7/2017 9:17 PM
52	Inform Kiwanis members of the most important things we get from attending these conventions. We expand our circle of friendship and gain knowledge from the education and seminar tracks.	8/7/2017 7:55 PM
53	notify clubs about the actual topics being covered. It seemed many sessions were new and some are needed for continual growth. (Media and Websites)	8/7/2017 7:43 PM
54	More Social Opportunities	8/7/2017 7:19 PM
55	keep cost down, offer incentives	8/7/2017 5:10 PM
56	Let club leadership know to budget and attend the conference. It's part of club bylaws to send someone to convention and most club leadership don't know...so CLE needs to stress this.	8/7/2017 4:25 PM
57	Ask clubs to pay the registration fee for their two delegates.	8/7/2017 3:58 PM
58	Figure out a way to decrease the cost, especially the registration cost. Meal cost in Reno was very reasonable.	8/7/2017 3:45 PM
59	training was good and chance to exchange ideas is a big plus.	8/7/2017 3:34 PM
60	let people know what is going on at the convention ahead of time so they want to go. Tell us what's different this year. Why should we come every year.	8/7/2017 3:32 PM
61	Costs of belonging and participating in Kiwanis are becoming prohibitive to some of us on fixed incomes.	8/7/2017 3:03 PM
62	Conventions are very informative in many aspects.	8/7/2017 2:31 PM
63	Highlight the training/knowledge gained from workshops and the networking throughout the convention.	8/7/2017 1:37 PM
64	I am going to target the potential officers to attend so we can have a better succession plan.	8/7/2017 1:27 PM
65	Keep asking. our club had 8 come and we were all pleased we came.	8/7/2017 12:59 PM
66	We need to find a way to get rid of the lethargy so many clubs have. I hear comments about the money sent to both Dist. and international, and what do we get back from them? I say go to the meetings and seminars and get the info that is available which is where part of the money goes..	8/7/2017 12:49 PM
67	A fast-paced, exciting K.I. Video that is also sparked with humor showing what goes on for the newcomer at a typical convention day. This could be sent out to club presidents or secretaries and then used as a program or recruiting tool to new members to get them to attend. Also, what about prizes or convention discounts offered to the club kiwanian who recruits, say, 1 or 2 or 5 new members to attend.	8/7/2017 12:39 PM
68	I know my club could barely afford the fees to go to convention plus airfare, etc but realize the importance of having other people in the club go for the experience. I think finding ways to provide scholarship to smaller clubs or those who cannot afford to go would be great.	8/7/2017 12:34 PM
69	Bring back the goals for LTGs of the number of clubs they should have represented.	8/7/2017 11:56 AM
70	Have the LT Governors encourage early in their term to attend. Have past attendees talk to the clubs in their division about how great it was.	8/7/2017 11:08 AM
71	2 days one night.	8/7/2017 10:55 AM
72	Sell the success of this one at least from the stand point of location, convention facilities, and rooms and food. Two, the importance of getting together, reinvigorating and sharing ideas, friendships and going back with a positive sense of you need this to keep your focus on the big picture, Kids Need Kiwanis and we can't do it without Kiwanis. There are too many pluses in our communities and around the world from the difference we're making and we can share that better as a whole.	8/7/2017 10:55 AM
73	if there is any way to bring down the registration costs	8/7/2017 10:39 AM
74	A more hands on approach to presentations. That is the only way we are going to attract younger members to attend.	8/7/2017 9:29 AM
75	Keep the cost, registration, meals, etc. as low as possible. Advertise several weeks prior to the convention, the detailed benefits gained by attending.	8/7/2017 9:28 AM
76	No.	8/7/2017 9:18 AM
77	engage some of the clubs to bring more members, break the tracks into more detailed information, bring in outside speakers on topics of importance have sessions live streamed or U tube them	8/7/2017 9:12 AM

78	Need programs and better quality seminars.	8/7/2017 9:02 AM
79	I don't know	8/7/2017 8:49 AM
80	Interest, less meeting more discussions. Thoughts about how to improve to get you excited	8/7/2017 8:47 AM
81	Relevant seasons, more about at the convention projects i.e. Could have brought crayons or other things--Kiwanis House	8/7/2017 7:44 AM
82	If Kiwanis wants younger people to join, the seminars need to be on Saturday since they probably work.	8/7/2017 7:03 AM
83	Constant monthly reminders about the benefits of attending sent out to the Divisions to be spread throughout the local clubs.	8/7/2017 4:13 AM
84	Reduce the cost of attending!	8/6/2017 11:35 PM
85	None	8/6/2017 10:12 PM
86	The club should try to help the younger members financially to attend, especially when the convention is within driving distance. Convention Scholarships might also be offered by the District or Division to active members who might not be able to afford the expenses. Maybe by submission of their ideas or extra-special service they have done.	8/6/2017 9:25 PM
87	They are missing out on how to keep up with new project ideas, seminars on important topics such as how to use social media	8/6/2017 8:38 PM
88	lower conv reg price	8/6/2017 8:37 PM
89	More detail for us in what will be covered in tracts. For example, we didn't know what was to be covered in the Communications Tract	8/6/2017 8:35 PM
90	Lower registration price	8/6/2017 8:31 PM
91	Not sure	8/6/2017 8:30 PM
92	more education about the conference	8/6/2017 8:30 PM
93	Sorry, but I think DCONS tend to attract only those in leadership roles. That's what club members think.	8/6/2017 7:52 PM
94	We can only spend the word that it was a worthwhile effort to be there.	8/6/2017 7:51 PM
95	keep the price as low as possible	8/6/2017 7:43 PM
96	Improve the TelePrompTer. Very annoying to have speakers interrupt their talks to have to wait for TelePrompTer to catch up. #2. Speed up the delegate process. I did not get into the hall until 2:50PM on Saturday.	8/6/2017 7:35 PM
97	We need more new seminars	8/6/2017 7:08 PM
98	I think that lieutenant governors should possibly help clubs that struggle to be able to attend.	8/6/2017 6:49 PM
99	Follow up like this, advertising to clubs to say how many attended, from which districts	8/6/2017 6:46 PM
100	I'm stumped on this.	8/6/2017 6:34 PM
101	find ways to lower the costs. meals don't need to be fancy, just tasty. (the meals I did have were delicious this year, but rather fancy cuisine)	8/6/2017 6:24 PM
102	Continue to publicize what is "new" about each Convention, keep the prices as reasonable as possible.	8/6/2017 6:21 PM
103	More computer classes hands on	8/6/2017 6:21 PM
104	Pump up the club presidents to sell, sell, sell their club members on the importance of attending for personal Kiwanis growth and outstanding fellowship.	8/6/2017 6:03 PM
105	of course- -the cost, but also the LTG and Presidents need to talk about it more often and everyone needs to report bac to the clubs about what they learned.	8/6/2017 6:00 PM
106	Perhaps for the Friday night banquet we could a 'name' as entertainment. Wouldn't have to be a really big name, just someone people would recognize and enjoy.	8/6/2017 5:54 PM
107	Keep the new seminars coming	8/6/2017 5:39 PM
108	Better interaction between LtG and clubs.	8/6/2017 5:34 PM

109	I think this convention did so many things right. Great room rates, great meals, free parking, great training opportunities, and plenty of room for exhibitors and meeting rooms. People should go!	8/6/2017 5:17 PM
110	I think people would attend convention if their were a more active member (other than just a delegate)	8/6/2017 4:50 PM
111	Registration cost continues to be an issued for many. Our club budgets registration for the DCON which helped get more of our members to convention this year.	8/6/2017 4:39 PM
112	Either stop being so cheap or lower the registration cost. The end product does not justify the cost.	8/6/2017 4:38 PM
113	Select a site with other attractions - restaurants, etc. - within walking distance. This was second in a row in a "resort area," but isolated from the main resort attractions. Consider lowering the thresholds for 100% Club Registration to make more affordable. Make publicity materials available to Presidents and LTGs - and early enough to be effective.	8/6/2017 4:38 PM
114	Location and price are important. Nice to have some fresh, new ideas (but my mind is not coming up with any....) Loved the idea of having hula lessons and then letting the students show off on stage... Wish I had known about that. A fun idea...	8/6/2017 4:35 PM
115	Continue to make seminars interesting. I also loved the venue.	8/6/2017 4:27 PM
116	Less expensive registration	8/6/2017 4:20 PM
117	Club leadership could be more proactive in encouraging club members to attend conventions.	8/6/2017 4:00 PM
118	Vbcggcc	8/6/2017 3:58 PM
119	Cghvcf	8/6/2017 3:53 PM
120	Earlier notice and direction to Club Presidents.	8/6/2017 3:27 PM
121	New members could learn a lot by attending conventions. Seasoned members need a refreshment every few years, but not once a year or twice a year.	8/6/2017 3:26 PM

2	What I mentioned earlier about 1:1 sessions for help with social media. I missed some of the seminars due to conflicts, so while I could say club finances, working together with SLP and membership - I know those seminars were available and I heard good reviews of them.	8/19/2017 1:14 PM

7	Real new approaches to growing Kiwanis by emphasizing our mission - not "fun" meetings. If we wake up and it is 1950, our Clubs are ready!	8/16/2017 3:02 PM
8	Lessons such as social media, using expanded features of portal buzz, "So you think you may want to be an officer" seminar with an overview of what Kiwanis deems to be the responsibilities of each officer position. I would like also to see a seminar about the possibility of having more official officers, such as a media officer and a SLP officer or Committee coordinator. These things are part of who we are right now and the board should be expanded past Pres, Sec and Treasurer as those are basic from years past, but there are also other things to manage in a successful club that should also be as official as the other three.	8/16/2017 2:26 PM

20	Getting new members, keeping new & old members. Trying to train new members on what we do and why we do it. Kiwanis has changed a lot since I joined 18 years ago.	8/11/2017 7:05 PM
21	We should do more to figure out how to keep members. Provide tools that would allow us to find out why members are leaving and see what we need to do to prevent exits from the clubs. If we find out a way to stop members leaving, may be some of the reasons why they do not join.	8/11/2017 1:11 AM

32	How to engage more members, especially in larger clubs that have trouble keeping all members involved. New ways of having fun at meetings other than those used in the good old boys type of clubs. How to get new members to step up and take on leadership positions. And to get these new members to attend conferences and conventions. Our club pays their registration and sometimes a meal or two, but still can't get them to go.	8/9/2017 2:12 PM
33	I think this convention hit the topics. I can't think of much else. Actually, that isn't completely true. I would like a class on objection handling with role playing and closing for the application. Also, if there are people having good success with image marketing.	8/9/2017 12:46 PM

38	More overall information for (really new) incoming board members.	8/8/2017 2:50 PM
39	We keep talking about membership, I think retention is almost as important.	8/8/2017 11:47 AM
40	More info on K International - where are we gaining or losing membership; status of MNT and our \$110 million investment with UNICEF	8/8/2017 11:42 AM

7	The one thing is that I think the convention location isnt good for SLP groups. Drinking, Gambling, Smoking is not the most ideal role modeling.	8/9/2017 9:04 PM

3	I could not tell if I needed to attend the four session, that was to be held after the installation dinner. It seemed rather awkward to come into the room, so I did not attend.	8/15/2017 8:53 PM
4	I attended the 1st time conventioneer session. The presenters were very nice people, but their material was over the heads of most of the attendees, who needed BASIC Kiwanis information on how things work. Don't use the Kiwanis acronyms that newbies don't know. This was a good idea, but a missed opportunity.	8/14/2017 1:12 PM
5	Really? The leadership people rarely smiled at people as they walked around. Most of them including the Governor Elect looked pissed that they had to be there. Bruce needs to either start smiling a lot or kicked out. They acted like they were holier than thou. Give us a break!!	8/13/2017 2:29 PM

1	Quality of food was good. Timing of service was a problem, especially at Interclub lunch.	8/18/2017 4:13 PM
2	Could not afford to attend all meals.	8/16/2017 5:17 PM
3	Being my first convention, I had to shoehorn myself into others tables during the meal times. I was never invited to sit with anyone or any group as I walked around. I had assumed the purpose of the meals was to mix and mingle, but it seemed from my perspective that groups sat together and did not make an effort to mix at all. It makes it difficult for new members or "one ups" to find their place. There were numbers and labels on some tables that were not defined, perhaps these meant something? I never found out.	8/16/2017 2:37 PM
4	The opening general session should be an inspiring moment. This year -- not so much.	8/14/2017 1:15 PM
5	The Rose float club didn't bring pins to sell. Several members told me they wait for the breakfast to buy pins. Yes they had a booth and yes many of us were busy during the conference and decided to wait for the breakfast. In fact the only reason I attended the breakfast was to buy pins	8/13/2017 2:33 PM
6	A lot of confusion during the introduction of new team members. Lack of communication and practice of trustee and LtG talking across the stage.	8/11/2017 1:20 AM
7	service was horrid-- I couldn't get a server to bring me a fork	8/10/2017 9:25 AM
8	The COST of all of these dinners etc., are making the convention less inclusive. The cost of everything is WAY TO MUCH!	8/9/2017 9:06 PM

1	I was a presenter for Key Leader portion of SLP Trak. It seemed great to me.	8/18/2017 4:14 PM
2	Single sheet outline handouts would be nice.	8/15/2017 9:31 PM
3	After attending Risk Management, I am concerned about the lack of material for training division and club level leaders in risk management strategies. The presenter did not directly answer questions about real-life situations faced by clubs. this session could have been much more informative. Again, the presenter was nice and pleasant, but the material was shallow.	8/14/2017 1:21 PM
4	I love the track concept but really want to see what topics are happening when and who is teaching! The title of the track is insufficient. Perhaps even a paper printed at the door of each room? AV support? The person coming to set things up for the presenters should be there ahead and be ready so seminars can start on time!	8/10/2017 9:29 AM
