"The Kiwanis CNH Foundation Scholarship will have such a great and positive impact on my college plans for many reasons.

I'm pursuing a marketing degree at

the Albers School of Business and Economics, and with the increasing tuition rates, this scholarship will allow me to follow my dreams of becoming a marketing manager without having that financial burden.

This scholarship became one of the reasons why I could leave my home state of Hawaii and travel 2,678 miles to attend Seattle University comfortably. It pushes me to work harder everyday in order to achieve greater. It makes me appreciate that this scholarship will open me up to many more opportunities in the business industry and hopefully, one day become a successful marketing manager while pursuing a career that I love."

***Meeting the Needs of  
Children . . .***

*The Founder's Day Program*

### Attention Club Officers -

Since 1965, the Kiwanis Cal-Nev-Ha Foundation has partnered with our Kiwanis clubs to transform children's lives. As we celebrate our Foundation's anniversary, we can't help but look back into our past. Much has changed during our fifty-two years; however, one thing has remained constant: *Our Commitment to Children.*

In honor of the Foundation's anniversary, we invite your club to participate in the Founder's Day program. For just \$5.00 per member, your club provides the Foundation with an unrestricted source of revenue, allowing the Foundation to direct monies to the areas of greatest need.

Your generosity provides grants to our Kiwanis family clubs and our partner hospitals. You provide scholarships to our Service Leadership Program students and you are the reason we're able to partner with some amazing children's hospitals throughout the District. Without you, none of this would be possible. Thank you for partnering with us to **build a better future for our children.**

More information: call the Foundation at (909) 989-1500, ext. 116 or go to [www.cnhfoundation.org](http://www.cnhfoundation.org).
