2	The SLP Workshop was not good. The speaker did not have any material to give to the kiwanians about SLP. Half the people in the workshop walked out during the conference. SLP District board should have actually ran that meeting not a builder's club District administrator she did not have any direction or any material enough material for everyone. 1	3rd and 4th sessions for SLP SLP workshop was poorly put together. The first part of the program about background checks. Was ok. I have heard the same thing over and over at key Club regional training conferences. The man who presented the Key leader program had no material to pass out or had power point about what he was taking about.If he had material he only had few copies. No contact information. It was not in the program. It look like he was a last minute add on to the conference. I never heard of the program. It was poorly put together. Then the last 1/2 hr the lady with the Blue hair did not have a plan. She made the SLP and Q and A amongst each other was completely boring. I notice people walked out. I wanted to get more information about Circle K. I did not get what I want. They should have District Administrators from SLP talk about upcoming events, changes, or broken us up in groups based on your SLP (Builders club, Key Club/KIWINS, Circle K). It was a waste of money for me. What do I take back to my Club when they ask about Mid Year. I wasted my money. I only got great information in my first 2 workshops (positive ly) Also, no coffee! No vendor outside selling goods and beverages! It all about hospitality! WaTer really....Maybe Host Club could of sold goods outside .	3/5/2018 1:26 AM
2	I attended both North and South, in order to take advantage of extra areas where there was a conflict in time.	3/4/2018 11:45 PM
3	More clubs would attend if they were being recognized for their leadership, projects, service, and overall hard work. We should showcase more clubs, more awards rather than just an interclub award.	3/4/2018 11:06 PM
4	As we walked into the conference Halls the outside there was no Kiwanis science to figure out where to go. I've seen people walking to the hotel to the conference house but there was no arrow for us to know where the conference rooms were located. As we were in a conference rooms noticed that there was no coffee available no sales person from the from the conference are selling coffee or any type of Refreshments through break time. Also SLP should have been more involved with conducting more of the meeting specially with the SLP. The person who ran it was not a good fit for that Workshop. Nope we noticed a lot of people walking out of that meaning for that Workshop. What other works out that we went to one of the prisoners only had 20 copies of the material for a room of 45 people. I never got a handout. It would seem to be half-assed in one of the workshops and the Worksource I attended was about meetings and the second part was about SLP in the afternoon. I felt that I wasted my money going to the second half of the workshops in the afternoon. Thank you.	3/2/2018 8:45 PM

17	It was AWESOME!!!	2/28/2018 5:14 PM
18	I appreciated the closeness of all activities at this conference center. I felt that we missed the mark with the educational emphasis. We need to do a better job of interacting and sharing ideas, versus a straight presentation. How can we improve on our recruiting? 2	i could not afford any meals at the mid year. I went to Mac Donalds for breakfast \$5.00 Japanese \$20 For lunch Mexican food: \$7.00 Dinner \$32 all day for meals. Make it more affordable for everyone.	3/5/2018 1:30 AM
3	I could not afford to go to any of the dinners lunch or breakfast. I cannot pay for my dinner Club. I need to be more affordable for the people at the age of 35 to 40. If you want more people to go to these events you must find a way to lower the price or do not have an event that we cannot afford. This also goes for conventions and other training conferences make it more available for everyone from different backgrounds. Thank you.	3/2/2018 8:47 PM

6	The Inter-club luncheon food would have been much better except the chicken was tough. We cannot afford the Foundation dinner. We would very much like to attend, except for the cost. I would prefer less expensive meal so I could actually spend money at the auction, thereby putting my money to better use.	3/2/2018 10:54 AM

#	PLEASE SPECIFY WHICH PRESENTERS/TOPICS HAD TOO MUCH OR TOO LITTLE TIME:	DATE
1	Treasurers had too many comments . Speaker skipped over important material.	3/9/2018 3:50 PM
2	SLP: First part of the presentation: Background check was ok. It annoying that people don't know this information yet. -Keyleader Presenter -no contact info. Look like a last minute add on.	3/5/2018 1:38 AM
3	The tracks felt long. I rather there be more topics or tracks than long tracks for each topics	3/4/2018 11:24 PM
4	Too much: Gary Gray, Robert Kolstead, Tim Cunnings, foundation trak, SLP track Too little: Facebook advaced class, Gary Jander	3/2/2018 4:15 PM
5	Membership and growth	3/1/2018 5:48 PM
6	N/A	3/1/2018 10:39 AM
7	Gary janders too little time. I really learn a lot every time. Gary Gray has too much. He is so dry and off putting. I saw people in tears as a result of his comments. Slp getting old. Freshen it up. Tim cumming not engaging as usual. Robert kolstad is soooo dry, i didnt go!!	2/28/2018 9:32 PM
8	With the session time frames, there should have been more idea sharing and discussion on the topics.	2/28/2018 4:48 PM
9	So much knowledge. All presenters could have had twice the time but there are only so many hours in a day.	2/28/2018 3:46 PM

3	Tips on attracting the Key Clubs, Circle K, to remain in Kiwanis.	3/4/2018 11:49 PM
4	Next time have available better SLP presenters. The presenter that we had did not have enough information about all of SLP. We also spend too much time talking about the background checks. Most people should already know about the background checks. And during the SLP they talk too much about it and we should have moved on. Also we need to have more workshops about just regular members not just board members cuz you're you're you're not inviting the member itself just event meetings about members. A lot of works out too but only for board members and not that does not attract anyone else in the club.	3/2/2018 8:51 PM

6	The topics were good. It was just that there was overlap of the ones I would prefer to attend with some time slots not of any use to my Kiwanis experience.	3/2/2018 10:58 AM

1	I didn't like that so many of the classes overlap each other. It was hard to attend multiple classes. Tim Cunning, Anna Wu, and Victor Sanchez were the best speakers and their seminars were very helpful. I attend both Anna's seminars, Social Media and Formula membership and they were fabulous, lots of energy. Keep inviting new speakers so it's not always the same stuff.	3/4/2018 11:24 PM
2	SLP track needs to be freshened up. Poor attendance. I can't believe that fellow kiwanians do not care about SLP, it must just be that the topics covered do not seem relevant	3/2/2018 4:15 PM
3	More on service projects.	3/2/2018 10:58 AM
4	-	3/1/2018 9:27 PM
5	Didn't like to have to choose between a Part 2 and another good session.	3/1/2018 4:43 PM
6	Surprised that the Key Leader bombshell was not discussed in detail and what options were being considered	2/28/2018 10:15 PM
7	DIVERSITY TRAINING! So worried about getting members but no effort in providing training on how to get more members of color.	2/28/2018 4:07 PM
8	My club members attended many of the seminars relating to their committees and goals.	2/28/2018 3:50 PM
9	Keep your Club Legal went way too fast, had poor graphics which you couldn't read, and there were no handout materials!	2/28/2018 3:42 PM
10	I came to listen and discover from the presenter, not a club member bragging about his club.	2/28/2018 3:25 PM
